mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre **The Kingdom of Love** Sunday

Adelaja,2018-02-17 God is love and His Kingdom is the Kingdom of love We become dwellers of this Kingdom at the moment of salvation when this love settles in our hearts God s intent is very simple it is to establish His Kingdom on Earth as it is in Heaven God is the Spirit and Earth is physical That is why God created man to accomplish this important mission establishing the Kingdom of Love on Earth As Christians living in the end times we received this mission in a relay race How does God see love What are the rules that make love function in our world Can humans love in the way God loves How do we grow in love This book will help you understand Do you really live in the Kingdom of Love Do you fulfil the commandment of the King by whom you were saved and called for a mission I believe the Holy Spirit will open new horizons of love to you and will make you stronger in your intention to become Christ like in order to establish God s Kingdom of Love on Earth
