The Land Breakers NYRB Classics:

The Land Breakers John Ehle, 2014-11-25 Set deep in the Appalachian wilderness between the years of 1779 and 1784 The Land Breakers is a saga like the Norse sagas or the book of Genesis a story of first and last things of the violence of birth and death of inescapable sacrifice and the faltering emergence of community Mooney and Imy Wright twenty one former indentured servants long habituated to backbreaking work but not long married are traveling west They arrive in a no account settlement in North Carolina and on impulse part with all their savings to acquire a patch of land high in the mountains With a little livestock and a handful of crude tools they enter the mountain world one of transcendent beauty and cruel necessity and begin to make a world of their own Mooney and Imy are the first to confront an unsettled country that is sometimes paradise and sometimes hell They will soon be followed by others John Ehle is a master of the American language He has an ear for dialogue and an eye for nature and a grasp of character that have established The Land Breakers as one of the great fictional reckonings with the making of America **The Red Thread: Twenty Years of NYRB Classics** Edwin Frank, 2019-09-24 To celebrate the 20th anniversary of NYRB Classics a handpicked anthology of selections from the series In Greek mythology Ariadne gave Theseus a ball of red thread to guide him through the labyrinth and the Red Thread offers a path through and a way to explore the ins and outs and twists and turns of the celebrated NYRB Classics series now twenty years old The collection brings together twenty five pieces drawn from the more than five hundred books that have come out as NYRB Classics over the last twenty years Stories essays interviews poems along with chapters from novels and memoirs and other longer narratives have been selected by Edwin Frank the series editor to chart a distinctive entertaining and thought provoking course across the expansive and varied terrain of the Classics series **The Land Breakers** John Ehle, 1964 **The Sound of the One Hand** Yoel Hoffman, 2016-12-06 When The Sound of the One Hand came out in Japan in 1916 it caused a scandal Zen was a secretive practice its wisdom relayed from master to novice in strictest privacy That a handbook existed recording not only the riddling koans that are central to Zen teaching but also detailing the answers to them seemed to mark Zen as rote not revelatory For all that The Sound of the One Hand opens the door to Zen like no other book Including koans that go back to the master who first brought the koan teaching method from China to Japan in the eighteenth century this book offers in the words of the translator editor and Zen initiate Yoel Hoffmann the clearest most detailed and most correct picture of Zen that can be found What we have here is an extraordinary introduction to Zen thought as lived thought a treasury of problems paradoxes and performance that will appeal to artists writers and philosophers as well as Buddhists and students of religion **Henri Duchemin and His Shadows** Emmanuel Bove, 2015-08-11 An NYRB Classics Original Emmanuel Bove was one of the most original writers to come out of twentieth century France and a popular success in his day Discovered by Colette who arranged for the publication of his first novel My Friends Bove enjoyed a busy literary career until the German occupation silenced him During his lifetime his novels and

stories were admired by Rilke the surrealists Camus and Beckett who said of him that more than anyone else he has an instinct for the essential detail Henry Duchemin and His Shadows is the ideal introduction to Bove's world with its cast of stubborn isolatoes who call to mind Melville's Bartleby Walser's little men and Rhys's lost women Henri Duchemin the protagonist of the collection's first story Night Crime is ambivalent afraid of appearing ridiculous desperate for money in other words the perfect prey Criminals beautiful women and profiteers threaten the sad young men of Bove's stories but worse yet are the interior voices and paranoia that propel them to their fates The poet of the flophouse and the dive the park bench and the pigeon's crumb Bove is also a deeply empathetic writer for whom no defeat is so great as to silence desire

The Little Town Where Time Stood Still Bohumil Hrabal, 2015-06-30 The Little Town Where Time Stood Still contains two linked narratives by the incomparable Bohumil Hrabal whom Milan Kundera has described as Czechoslovakia's greatest writer Cutting It Short is set before World War II in a small country town and it relates the scandalizing escapades of Maryka the flamboyant wife of Francin who manages the local brewery Maryka drinks She rides a bicycle letting her long hair fly She butchers pigs frolics in blood and leads on the local butcher She's a Madame Bovary without apologies driven to keep up with the new fast paced mechanized modern world that is obliterating whatever sleepy pieties are left over from the defunct Austro-Hungarian Empire The Little Town Where Time Stood Still is told by Maryka and Francin's son and concerns the exploits of his Uncle Pepin who holds his own against the occupying Nazis but succumbs to silence as the new post World War II Communist order cements its colorless control over daily life Together Hrabal's rousing and outrageous yarns stand as a hilarious and heartbreaking tribute to the always imperiled sweetness of lust love and life *More Was Lost* Eleanor Perenyi, 2016-02-16 Set in a Hungarian estate on the edge of the Carpathian Mountains this lucid and crisp memoir is a clear-eyed elegy to a country and a marriage torn apart by World War II The New Yorker Best known for her classic book Green Thoughts A Writer in the Garden Eleanor Perenyi led a worldly life before settling down in Connecticut More Was Lost is a memoir of her youth abroad written in the early days of World War II after her return to the United States In 1937 at the age of nineteen Perenyi falls in love with a poor Hungarian baron and in short order acquires both a title and a struggling country estate at the edge of the Carpathians She throws herself into this life with zeal learning Hungarian and observing the invisible order of the Czech rule the resentment of the native Ruthenians and the haughtiness of the dispossessed Hungarians In the midst of massive political upheaval Perenyi and her husband remain steadfast in their dedication to their new life an alliance that will soon be tested by the war With old-fashioned frankness and wit Perenyi recounts this poignant tale of how much was gained and how much more was lost [A View of the Harbour](#) Elizabeth Taylor, 2015-06-02 Blindness and betrayal are Elizabeth Taylor's great subjects and in A View of the Harbour she turns her unsparing gaze on the emotional and sexual politics of a seedy seaside town that's been left behind by modernity Tory recently divorced depends more and more on the company of her neighbors Robert a doctor and Beth a busy author of melodramatic novels Prudence

Robert and Beth's daughter disapproves of the intimacy that has grown between her parents and Tory and the gossip it has awakened in their little community. As the novel proceeds, Taylor's view widens to take in a range of characters from bawdy nose-y Mrs Bracey to a widowed young proprietor of the local waxworks Lily Wilson to the would-be artist Bertram while the book as a whole offers a beautifully observed and written examination of the fictions around which we construct our lives and manage our losses.

The Cretan Runner George Psychoundakis, 2015-11-03 George Psychoundakis was a twenty-one-year-old shepherd from the village of Asi Gonia when the battle of Crete began. It was in May 1941 that all of a sudden high in the sky we heard the drone of many aeroplanes growing steadily closer. The German parachutists soon outnumbered the British troops who were forced first to retreat then to evacuate before Crete fell to the Germans. So began the Cretan Resistance and the young shepherd's career as a wartime runner. In this unique account of the Resistance Psychoundakis records the daily life of his fellow Cretans, his treacherous journeys on foot from the eastern White Mountains to the western slopes of Mount Ida to transmit messages and transport goods and his enduring friendships with British officers like his eventual translator Patrick Leigh Fermor whose missions he helped to carry out with unflagging courage, energy and good humor. Includes thirty-two black and white photographs and a map.

Stalingrad Vasily Grossman, 2019-06-11 In April 1942 Hitler and Mussolini meet in Salzburg where they agree on a renewed assault on the Soviet Union. Launched in the summer, the campaign soon picks up speed as the routed Red Army is driven back to the industrial center of Stalingrad on the banks of the Volga. In the rubble of the bombed-out city, Soviet forces dig in for a last stand. The story told in Vasily Grossman's *Stalingrad* unfolds across the length and breadth of Russia and Europe and its characters include mothers and daughters, husbands and brothers, generals, nurses, political activists, steelworkers and peasants along with Hitler and other historical figures. At the heart of the novel is the Shaposhnikov family. Even as the Germans advance, the matriarch Alexandra Vladimirovna refuses to leave Stalingrad. Far from the front, her eldest daughter Ludmila is unhappily married to the Jewish physicist Viktor Shtrum. Viktor's research may be of crucial military importance but he is distracted by thoughts of his mother in the Ukraine lost behind German lines. In *Stalingrad*, published here for the first time in English translation and in its celebrated sequel *Life and Fate*, Grossman writes with extraordinary power and deep compassion about the disasters of war and the ruthlessness of totalitarianism without however losing sight of the little things that are the daily currency of human existence or of humanity's inextinguishable saving attachment to nature and life. Grossman's two-volume masterpiece can now be seen as one of the supreme accomplishments of twentieth-century literature: tender and fearless, intimate and epic.

Jigsaw Sybille Bedford, 2018-06-05 Shortlisted for the Booker Prize Bedford's autobiographical novel paints a vivid picture of life in 1920s Europe between the wars. Sybille Bedford placed the ambiguous and inescapable stuff of her own life at the center of her fiction and in *Jigsaw*, her fourth and final novel, which was shortlisted for the 1989 Booker Prize, she did it with particular artistry. What I had in mind, she was later to say, was to build a novel out of the events and people who had made up and

marked my early youth Truth here was an artistic not moral requirement It involved writing about myself my feelings my actions And so she assembled the puzzle pieces of her singular past into a picture of her unsentimental education We learn of a childhood spent alone with her father a stranded man of the world living a life of ungentle poverty in quite grand surroundings a chateau that is deep in the German countryside with wine but little else for him and his young daughter to hold body and soul together We learn of her return to Italy and her mother the one character I wished to keep minor and knew all along that it could not be done and the dark secret consuming her mother's life Finally she tells us how she lived with and learned from Aldous and Maria Huxley on the French Riviera developing the sense of purpose and determination that made her the great writer she would become [Written on Water](#) Eileen Chang,2023-05-02 Now back in print these witty insightful essays on fashion cinema wartime and everyday life demonstrate why Eileen Chang was and is a major icon of twentieth century Chinese literature Eileen Chang is one of the most celebrated modern Chinese novelists and essayists of the twentieth century First published in 1944 and just as beloved as her fiction in the Chinese speaking world [Written on Water](#) collects Chang's reflections on art literature war urban culture and her life as a writer and woman in wartime Shanghai and Hong Kong With her vibrant yet meditative style and her sly sophisticated humor Chang writes of friends colleagues and teachers turned soldiers or wartime volunteers and of her own experiences as a part time nurse She also turns her thoughts to Chinese cinema the aims of the writer Peking Opera Shanghainese food culture and fashion all the while upending prevalent attitudes toward women and painting the self portrait of a daring and cosmopolitan woman bent on questioning pieties and enjoying the pleasures of modernity even as the world convulses in war and a revolution looms The book includes illustrations by the author [Book Review Index](#) ,1985 Every 3rd issue is a quarterly cumulation **The Law-Breakers and Other Stories** Robert Grant,2008-02-01 Robert Grant 1852 1940 was an American author He was a Boston native and 1873 Harvard University graduate and received the first Ph D in English granted by Harvard He published his first novel in 1884 His most successful book was *Unleavened Bread* which was one of the best selling novels of 1900 His autobiography *Fourscore* was published in 1934 Grant was also a probate court judge appointed in 1893 After he left the bench Massachusetts Governor Alvan T Fuller appointed him to a commission to review the conviction of Sacco and Vanzetti The commission recommended that the decision to execute both men be upheld His other works include *The King's Men* A Tale of To Morrow 1884 *The Opinions of a Philosopher* 1893 and *The Law Breakers and Other Stories* 1906
