The Last Days Raymond Queneau, 1996 *The Last Days* is Raymond Queneau s autobiographical novel of Parisian student life in the 1920s Vincent Tuquedenne tries to reconcile his love for reading with the sterility of studying as he hopes to study his way out of the petite bourgeoisie to which he belongs Vincent and his generation are contrasted with an older generation of retired teachers and petty crooks and both generations come under the bemused gaze of the waiter Alfred whose infallible method of predicting the future mocks prevailing scientific models Similarly Queneau s literary universe operates under its own laws joining rigorous artistry with a warm evocation of the last days of a bygone world

The Last Days According to Jesus R. C. Sproul, 2000-10 Analyzes what Jesus said about when he would return and the last days would arrive as in Matthew 24 34 Defends the trustworthiness of Jesus teachings

The Last Days Are Left Behind James Ellis, 2008-06 Have you been wondering as a Christian or non Christian what many think and expect will happen in the last days or end times with all the talk and focus in the headlines and some churches about our future And with all the events taking place in the Middle East especially Israel And Iran Are you confused because of various end time scenarios and conflicting opinions promoted through popular books on prophecy the Left Behind series televangelists preachers and others speaking of a great tribulation rapture Armageddon Apocalypse the destruction of the earth a new heaven and earth a second coming and a millennium There has been an overload of teaching and information about these things over the last century however sincere and cloaked in good intentions yet with long held and deep seated traditions and doctrines all borne of a lack of accurate knowledge particularly the Hebrew and Greek and information based on compelling evidence Would you like to know what the Bible actually says about all these issues For God s Word itself Let Scripture Interpret Scripture and the Holy Spirit are the only necessary interpreters *The Last Days Are Left Behind* will challenge your thinking help to erase the confusion and provide clarity regarding the present day purpose of God Author James Ellis demonstrates end time truth based logically on solid evidence after a linguistically accurate biblically consistent and intellectually honest examination of the Bible s prophetic passages and verses the original languages Hebrew and Greek the social cultural and historical context of Scripture and the relevance of the audience spoken

or written to in God's Word **The Last Days of Pompeii** Edward Bulwer Lytton Baron Lytton, 1850 Signposts of the Last Days Bill Goodwin, 2012-06-07 SIGNPOSTS of The Last Days is not an attempt to sensationalize predicted events from prophecy implying they will happen in a particular manner Remember that when Jesus came the first time all but two people were looking for a different kind of Messiah than the One they got Instead you will find the Biblical basis for twelve predicted events of the Last Days This book is written to review some of the available passages concerning these events that will lead to the end of the Last Days and how they relate to each other They are arranged in the order they are expected to happen It also is designed to relate coming events to the past times in which God has presented Himself to the world using different people This is your opportunity to separate the modern day scenarios seemingly written for Hollywood from what we might realistically expect should we be alive to see it all unfold Please read them all with the understanding that there may be fewer than two individuals who get close to the actual truth this time around **The Message for the Last Days** K.J. Soze, 2019-06-17 This award winning book examines the foundation of Bible prophecy brought forward from the Old Testament to the New The Message for the Last Days is a comprehensive look back to the foundation of God's word as it secures the reality of the gospel The Future is Revealed by Understanding the Past **Overcoming Evil in the Last Days** Rick Joyner, 2003 Overcoming Evil in the Last Days is the radical Christian's handbook for uncovering and defeating the evil that pervades our culture As the gates of hell unleash their fiendish fury against the soul of man the Church must be prepared to defend and to attack Joyner lifts the veil on this heartless horde exposing the face of racism witchcraft and religious spirits while making the challenge clear maintain our warrior stance against evil as we persist in our primary calling worshipping and loving God Book jacket **The Christian's Guide to Living in the Last Days Vol.2** Billy Crone, 2019-01-03 It's not enough to just know we're living in the Last Days the point is to do something about it We are to take this prophetic information and redeem the time by living for Jesus and telling as many people as we can about Him so they can be saved before it's too late Time is simply running out The problem is most Christians are distracted disinterested or flat out apathetic making no difference for Jesus in these Last Days On top of that their countenance is a bad walking advertisement for Jesus Therefore this book The Christian's Guide to Living in the Last Days Vol 2 seeks to equip you the reader with pivotal keys that are absolutely crucial if we're ever going to have that life changing walk with Jesus in these final hours Here you will learn such insights as The Dangers of a Misplaced Mind The Dangers of a Misplaced Lifestyle Focus Attitude Behavior Understanding and Posture Turn your walk and witness around for Jesus before it's too late **The Last Days of the Afghan Republic** Arsalan Noori, Noah Coburn, 2023-05-22 It is difficult to overstate the chaos of August 2021 for many of those in Afghanistan particularly those who had worked closely with the international community there In a matter of days U.S. troops withdrew from Afghanistan and an insurgency threw out a government the international community had spent 20 years and billions of dollars supporting A government that claimed to stand for women's rights

freedom of the press education and a litany of other ideals was replaced by one that did not allow girls to attend secondary school The world watched for two weeks as crowds rushed the airport bodies fell from planes a suicide bomber killed civilians and soldiers and a baby was handed to a Marine over a barbed wire wall The agony of lives so clearly destroyed as people tried to flee their homeland with little to nothing felt like images seen in the wake of natural disasters But this was not a natural disaster It was completely avoidable Part memoir and part history The Last Days of the Afghan Republic tells this story through the experiences of Arsalan Fatima Zeinab and Najeeb a scholar a doctor a student and a translator These young men and women had bought into the promise of the international intervention that if they studied worked hard and believed in democracy and human rights Afghanistan could become a new country Their lives also tell the story of Afghanistan over the past thirty years They recount from the ground up the political decisions on the American side that led to the forever war the way that Afghan political partners squandered opportunities and the ways in which the U S presence unevenly reshaped Afghan society
