The Last Resort Alison Lurie, 2012-11-13 A Pulitzer Prize winning author's sparkling smart tale of an aging writer and his younger wife looking for new life or a way to end it in Key West The New York Times Every schoolboy in America knows the work of author Wilkie Walker who won fame and fortune with his accessible nature books But as he turns seventy his renown is nearly gone Now he sits up at night torturing himself with fears that his career was a waste his talent is gone and his body destroyed by cancer His wife Jenny twenty five years younger can tell only that he is out of sorts She has no idea her husband is on the verge of giving up on life When Jenny suggests spending the winter in Key West Wilkie goes along with it After all if you need to plan a fatal accident Florida is a perfectly good place to do so And when they touch down in the sunshine state the Walkers find it's not too late to live life or end it however they damn well please The National Book Award shortlisted author of *Foreign Affairs* *Affairs* *The War Between the Tates* and *The Last Resort* writes a sparkling smart highly volatile novel The New York Times This ebook features an illustrated biography of Alison Lurie including rare images from the author's collection

The Last Resort Sarah Stodola, 2022-06-28 A captivating exploration of beach resort culture from its roots in fashionable society to its undervalued role in today's world economy as the travel industry approaches a climate reckoning With its promise of escape from the strains of everyday life the beach has a hold on the popular imagination as the ultimate paradise In *The Last Resort* Sarah Stodola dives into the psyche of the beachgoer and gets to the heart of what drives humans to seek out the sand At the same time she grapples with the darker realities of resort culture strangleholds on local economies reckless construction erosion of beaches weighty carbon footprints and the inevitable overdevelopment and decline that comes with a soaring demand for popular shorelines *The Last Resort* weaves Stodola's firsthand travel notes with her exacting journalism in an enthralling report on the past present and future of coastal travel She takes us from Monte Carlo where the pursuit of pleasure first became part of the beach resort experience to a village in Fiji that was changed irrevocably by the opening of a single resort from the overdevelopment that stripped Acapulco of its reputation for exclusivity to Miami Beach where extreme measures are underway to prevent the barrier island from vanishing into the ocean In the twenty first century beach travel has become central to our globalized world its culture economy and interconnectedness But with sea levels likely to rise at least 1.5 to 3 feet by the end of this century beaches will become increasingly difficult to preserve and many will disappear altogether What will our last resort be when water begins to fill the lobbies

The Last Resort Jessica Gregory, Just because you're a billionaire doesn't mean you have good taste I'd have to disagree with you Rachel I happen to like you a lot He might be the youngest of the billionaire Royal brothers but Matthew Royal is still determined to make his own mark in the competitive hotel and resorts business His grand plans include building a brand new mega resort in Aspen Colorado In the aftermath of a dark family betrayal Rachel Little has moved to Aspen to rebuild her life Taking a job as a consultant for the owners of the Green Tree lodge she sets about finding a suitable buyer

while endeavoring to save the near derelict historical building from falling into the hands of greedy developers When a handsome stranger crosses her path twice in a week Rachel finds herself unable to resist his charms And what more could a girl want than a passion filled romance to help restore her faith in the world Attending a town planning meeting Matthew and Rachel are both shocked to discover that they have been unwittingly sleeping with the enemy To make matters worse the city council and resort owners hatch a mad scheme to settle things once and for all The two opposing architects are sent to live at the old ski lodge If they don't come up with a viable plan for the site the land will be forfeited For Rachel and Matthew sorting out their messy unresolved romance is only just the beginning Throw in a temperamental boiler a late season snow storm and an unexpected encounter with the local wildlife and you have all the ingredients for a steamy forced proximity snowed in romantic comedy The Last Resort is a billionaire romance for readers who love their romantic comedy on the spicy side The Last Resort is a standalone book in the interconnected Royal Resorts romantic comedy series [The Last Resort](#) Carmen Posadas,2005-08-02 Rafael Molinet Rojas an inconspicuous Spaniard living in London regrettably finds that there is nothing worth living for when his closest companion his mother dies Hoping to make a dignified and although he won't admit it dramatic exit from this world Molinet plots his escape picking an elegant setting for his suicide via sleeping pills Morocco's L Hironnelle d Or one of the most luxurious resorts in the world There he will be able to forget his cares drape himself in a white caftan and try to make a little money playing backgammon before he does himself in The day before his trip Molinet has a lunch date with his vivacious niece who enthalls him with the story of a scandalous and deeply suspicious death Jaime Vald's high society lothario has seemingly choked to death in the presence of both his mistress and his wife but all of Spain is atwitter with the possibility of murder Coincidentally when he arrives at the spa Molinet realizes that the stylish woman sitting by the pool is none other than Vald's widow And when a throng of gossip European's arrive on the scene it quickly becomes clear that despite its air of tranquility many sinister things are happening at L Hironnelle Before he knows it Molinet's eavesdropping leads to a startling turn of events Internationally bestselling author Carmen Posadas has created a corrosive and witty high society whodunit in the vein of Agatha Christie's Murder on the Orient Express The Last Resort mixes poolside cocktails and acid laced gossip with privilege and murder to marvelous effect **The Last Resort** Chris Owen,2001 The Last Resort is an exciting new play that deals with a range of complex issues set against the backdrop of the faded glory of a British seaside resort The play weaves together the stories attitudes and conflicts of a wide variety of characters from surfboard dudes to cynical pensioners In turn both deeply moving and highly comic The Last Resort provides challenging material for a mixed drama group with a variable cast size **The Last Resort** Allie Coker,2021-01-12 My immediate thought I don't belong here rebuffed before the half day's end Maybe I didn't have multiple personalities or talk to myself or have mood swings so bad that no one could be around me but the truth was plain I needed to be here I did belong here Welcome to The Last Resort a sanitarium for residents who feel imprisoned in their own minds Whether staff member or

patient everyone finds themselves at the center of a complex system that at its best provides therapeutic care and at its worst blurs and blends the boundaries of what constitutes sane and insane Regardless of the role each individual has to play all of them are here for a reason and will be forced to examine themselves from every angle Told from various perspectives The Last Resort is a frighteningly real novella from Allie Coker that reveals the vulnerable side of humanity and forces readers to stop and ask What is normal
