The Legends Of St Patrick:

The legends of st. Patrick Aubrey De Vere (calling himself earl of Oxford.),1872 **The legends of St. Patrick, and legends of Ireland's heroic age** Aubrey De Vere,1884 The Legends of Saint Patrick Aubrey De Vere,1889 The Legends of Saint Patrick Aubrey de Vere,2024-12-12 The Legends of Saint Patrick delves into the intricate interplay between faith legend and history uncovering how Patrick s story became a cornerstone of Irish identity **Saint Patrick Retold** Roy Flechner,2019-03-05 A gripping biography that brings together the most recent research to shed provocative new light on the life of Saint Patrick Saint Patrick was by his own admission a controversial figure Convicted in a trial by his elders in Britain and hounded by rumors that he settled in Ireland for financial gain the man who was to become Ireland s patron saint battled against great odds before succeeding as a missionary Saint Patrick Retold draws on recent research to offer a fresh assessment of Patrick s travails and achievements This is the first biography in nearly fifty years to explore Patrick s career against the background of historical events in late antique Britain and Ireland Roy Flechner examines the likelihood that Patrick like his father before him might have absconded from a career as an imperial official responsible for taxation preferring instead to migrate to Ireland with his family s slaves who were his source of wealth Flechner leaves no stone unturned as he takes readers on a riveting journey through Romanized Britain and late Iron Age Ireland and he considers how best to interpret the ambiguous literary and archaeological evidence from this period of great political and economic instability a period that brought ruin for some and opportunity for others Rather than a dismantling of Patrick s reputation or an argument against his sainthood Flechner s biography raises crucial questions about self image and the making of a reputation From boyhood deeds to the challenges of a missionary enterprise Saint Patrick Retold steps beyond established narratives to reassess a notable figure s life and legacy *The Legends of Saint Patrick* Aubrey de Vere,2015-06-24 Excerpt from The Legends of Saint Patrick IN most parts of Ireland the traveller hears quaint stories about Saint Patrick and sometimes perhaps imagines that the Saint visited the island for the benefit of witty guides and to promote mirth in wet weather He would hardly suspect that during fourteen centuries the subject of these stories has been regarded at countless hearths as the greatest man and the greatest benefactor that ever trod the Irish soil and that there remains respecting him a vast cycle of legends serious pathetic and profound It could not have been otherwise Ireland was a land of legends many ages before Saint Patrick visited it There existed in all parts of it Colleges of Bards whose duty it was to preserve in song the history of every clan and ruling House About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that
