The Life And Times Of The Thunderbolt Kid:

The Life and Times of the Thunderbolt Kid Bill Bryson, 2010-04-30 From one of the most beloved and bestselling authors in the English language a vivid nostalgic and utterly hilarious memoir of growing up in the middle of the United States in the middle of the last century A book that delivers on the promise that it is laugh out loud funny Some say that the first hints that Bill Bryson was not of Planet Earth came from his discovery at the age of six of a woollen jersey of rare fineness Across the moth holed chest was a golden thunderbolt It may have looked like an old college football sweater but young Bryson knew better It was obviously the Sacred Jersey of Zap and proved that he had been placed with this innocuous family in the middle of America to fly become invisible shoot guns out of people s hands from a distance and wear his underpants over his jeans in the manner of Superman Bill Bryson s first travel book opened with the immortal line I come from Des Moines Somebody had to In this hilarious new memoir he travels back to explore the kid he once was and the weird and wonderful world of 1950s America He modestly claims that this is a book about not very much about being small and getting much larger slowly But for the rest of us it is a laugh out loud book that will speak volumes especially to anyone who has ever been young

The Life and Times of the Thunderbolt Kid Bill Bryson, 2007 Some say that the first hint that Bill Bryson was not of Planet Earth came when his mother sent him to school in lime green Capri pants Others think it all started with his discovery at the age of six of a woollen jersey of rare fineness In his funny memoir he travels back in time to explore the ordinary kid he once was

One Summer Bill Bryson,2013-10-01 A Chicago Tribune Noteworthy Book A GoodReads Reader s Choice In *One Summer* Bill Bryson one of our greatest and most beloved nonfiction writers transports readers on a journey back to one amazing season in American life The summer of 1927 began with one of the signature events of the twentieth century on May 21 1927 Charles Lindbergh became the first man to cross the Atlantic by plane nonstop and when he landed in Le Bourget airfield near Paris he ignited an explosion of worldwide rapture and instantly became the most famous person on the planet Meanwhile the titanically talented Babe Ruth was beginning his assault on the home run record which would culminate on September 30 with his sixtieth blast one of the most resonant and durable records in sports history In between those dates a Queens housewife named Ruth Snyder and her corset salesman lover garroted her husband leading to a murder trial that became a huge tabloid sensation Alvin Shipwreck Kelly sat atop a flagpole in Newark New Jersey for twelve days a new record The American South was clobbered by unprecedented rain and by flooding of the Mississippi basin a great human disaster the relief efforts for which were guided by the uncannily able and insufferably pompous Herbert Hoover Calvin Coolidge interrupted an already leisurely presidency for an even more relaxing three month vacation in the Black Hills of South Dakota The gangster Al Capone tightened his grip on the illegal booze business through a gaudy and murderous reign of terror and municipal corruption The first true talking picture Al Jolson s *The Jazz Singer* was filmed and forever changed the motion picture industry The four most powerful central bankers on earth met in secret session on a Long Island estate and made a fateful decision that virtually guaranteed a future crash and depression All this and much much more transpired in that epochal summer of 1927 and Bill Bryson captures its outsized personalities exciting events and occasional just plain weirdness with his trademark vividness eye for telling detail and delicious humor In that year America stepped out onto the world stage as the main event and *One Summer* transforms it all into narrative nonfiction of the highest order
