The Lost God Of Christ Resurrecting The Truth:

The Lost God of Christ Anthony Fotia, 2015-01-04 In his fascinating new book *The Lost God of Christ* Anthony Fotia unravels the mystery of how the teachings of Jesus were cast aside to create room for the doctrine of the Trinity also known as the Godhead This manmade doctrine while having defined mainstream Christianity for centuries isn't supported by Christ's words specifically or the Bible generally The Trinity presupposes the existence of a God with one essence but three persons but Jesus never claimed equality with his Father and the Spirit is elevated to a level fully unknown in Scripture Written for believers as well as anyone interested in religious history this book systematically unravels the tapestry on which the Trinity has been hung to reveal the true intent of Jesus In the process it also dismantles the very foundation on which the Oneness doctrine rests The Oneness doctrine asserts that God has revealed himself in three modes first as the God of the Old Testament then as Jesus and finally as the Holy Spirit This modern form of the ancient heresy known as modalism while not as widely held as the Trinity doctrine is as misguided today as it was when it first saw daylight in the early years of the church Through a careful and thought provoking process Fotia fearlessly restores not only God but also God's name Yahweh to its full glory as intended in Scripture In the process he reveals the true heart of Jesus as it pertains to his Father and to his followers Discover what Jesus meant when he said Why do you call me good No one is good except God alone Luke 18:19 Trust in God and trust also in me John 14:1 I am going to the Father who is greater than I am John 14:28 I am ascending to my Father and your Father to my God and your God John 20:17 You must love Yahweh your God with all your heart all your soul and all your mind This is the first and greatest commandment Matthew 22:37-38 Detractors of the Trinity call it warmed over polytheism Trinitarians call the Oneness doctrine heretical They both right and wrong Fotia uncovers the truth in an easy to read style that is sure to captivate even the most novice students of the Bible Come on a journey of discovery and learn what Christ believed and taught to his followers about God his God [Jesus and the Lost Goddess](#) Timothy Freke, Peter Gandy, 2011-08-10 Why Were the Teachings of the Original Christians Brutally Suppressed by the Roman Church Because they portray Jesus and Mary Magdalene as mythic figures based on the Pagan Godman and Goddess Because they show that the gospel story is a spiritual allegory encapsulating a profound philosophy that leads to mythical enlightenment Because they have the power to turn the world inside out and transform life into an exploration of consciousness Drawing on modern scholarship the authors of the international bestseller *The Jesus Mysteries* decode the secret teachings of the original Christians for the first time in almost two millennia and theorize about who the original Christians really were and what they actually taught In addition the book explores the many myths of Jesus and the Goddess and unlocks the lost secret teachings of Christian mysticism which promise happiness and immortality to those who attain the state of Gnosis or enlightenment This daring and controversial book recovers the ancient wisdom of the original Christians and demonstrates its relevance to us today *True Latter-Day Saints' Herald*, 1905 The family magazine of the Reorganized Church of Jesus Christ of Latter

Day Saints **Relationship Truths** Jonathan Devon Bryant Sr. ,2025-03-10 *Christian Advocate* ,1909 **Nothing Else Matters** Nancy A. Almodovar,2022-03-18 It is said that Jaroslav Jan Pelikan a leading scholar in the history of Christianity and Sterling Prof Everett of history at Yale University on his deathbed confessed this If Christ has not risen from the dead nothing else matters If Christ has risen from the dead nothing else matters I came across this quote in my research for the Apologetics Together courses that I offer on social media and was immediately awed at its profound implications Indeed if Jesus has not risen we must agree with Saint Paul that the world remains in their sins and are eternally lost However since Jesus has risen those who have placed their trust in him are assured of salvation and eternal life This book looks at the prophecies and fulfillment in the Scriptures which assure us that he who died on the cross at Calvary rose again on the third day for our justification The Witness ,1869 The Revelation Mysteries Steven D. Williams,2020-01-07 The author has made every effort to limit the text in this book to three main categories The content of this book he maintains is either history prophecy or theology HISTORY Writings that fall under this heading include historical facts or findings scientific data or information and any other compilation made by man that has been established out of a non Biblical perspective This includes any factual information that cannot be substantiated by scripture PROPHECY This includes all the writings of the prophets and any text translated out of the original Greek and Hebrew scriptures This category also includes every scripture quoted verbatim chapter and verse from the Bible THEOLOGY This includes all writings where two or more scriptures have been used to draw a conclusion or when the author renders the interpretation of a particular prophecy or a series of scriptures This also includes text where the author has theorized to make a point or when the text being read is a paraphrase of scripture **The Truth** Laurel,2005 The Truth is the award winning first book in The Oracle Institute foundational trilogy It presents a summary of the divine messages sent to us by God through the Prophets When studied successively these spiritual lessons form a Tower of Truth that should not be broken or interpreted along sectarian lines Instead these Truths should be assimilated into a contemporary spiritual and scientific database and shared by everyone regardless of religious affiliation The Truth explores the five primary religions that evolved after the Prophets died Hinduism Judaism Buddhism Christianity and Islam to determine whether these manmade religions have remained faithful to the Truth including the primordial Truth that God is half masculine and half feminine energy The Truth reveals that mankind has built a Tower of Babel with God s messages Moreover these now ancient religions have polarized humanity and brought us to the brink of World War III The book also includes an objective template for measuring the adequacy of any religion and an Appendix that shows the nexus between politics and religion and politics thought human history *The Congregationalist* ,1925 **Revive Thy Work** Watchman Nee,1996-10-17 This book contains the teaching of Watchman Nee delivered in Shanghai in 1948 Subjects include the Way of Recovery the History of Recovery the Recovery of Body Life the Recovery of Body Ministry and New Testament Ministry **Between Cross and Resurrection** Alan E. Lewis,2003-06-20 For much of Christian history the church has

given no place to Holy Saturday in its liturgy or worship Yet the space dividing Calvary and the Garden may be the best place from which to reflect on the meaning of Christ's death and resurrection This superb work by the late Alan Lewis develops on a grand scale and in great detail a theology of Holy Saturday The first comprehensive theology of Holy Saturday ever written Between Cross and Resurrection shows that at the center of the biblical story and the church's creed lies a three day narrative Lewis explores the meaning of Holy Saturday the restless day of burial and waiting from the perspectives of narrative hearing the story doctrine thinking the story and ethics living the story Along the way he visits as many spiritual themes as possible in order to demonstrate the range of topics that take on fresh meaning when viewed from the vantage point of Holy Saturday Between Cross and Resurrection is not only incisive and elegantly written but it is also a uniquely moving work deeply rooted in Christian experience While writing this book Lewis experienced his own Holy Saturday in suffering from and finally succumbing to cancer He considered Between Cross and Resurrection to be the culmination of his life's work

God's Grand Design William R. Arnold, 2021-06-30 God's Grand Design By William R Arnold Edited by Ms Aurora Payad Arnold

God's Grand Design is to restore mankind to its original state of sacred perfection after Adam and Eve fell and created the original sin of disobedience hiding and lying to the Lord When God cursed the serpent for tempting Adam and Eve to be like God he promised to send his only begotten Son to save humanity He did via the incarnate word in the womb of the immaculately conceived Virgin Mary God wants to be man and receive a new body to defeat death through Jesus Christ Man wants to become God to receive eternal life Man's journey to become God starts from being an ignorant baby gaining knowledge to a cowardly teenager obtaining courage to an adult converting greed to generosity to a wise man changing selfishness to unselfishness and at last to a free man able to think for himself in eternal service to God in his kingdom The journey requires him to know right from wrong good from evil and God's will from man's will and thus defeat evil worldly temptations and demonic possession Through Christ God and man are destined to become one through three advents making the God Man Christ into the new human spirit blessings Then the Man God Jesus becomes the new human flesh to make all things perfect in the sight of God Jesus Christ came as a priest on a donkey to decode the Torah bring knowledge and remove blindness to defeat sin By his death and resurrection he granted free redemption to man's flesh to give him a new body The second coming of Jesus Christ as thief in the night will bring awakening to remove deafness by teaching God's truths to defeat evil As a just judge on a cloud on his third advent the Lord will remove mankind's dumbness to defeat death And then man can become worthy of receiving God's rewards of paradise in heaven or heaven on earth

Determining the Future's Truth Through Bible Prophecy Peter Galarza, 2021-10-26 Two Persian wars in 1991 and 2003 have inspired the author to write about two more incoming wars according to Bible prophecy the latter being the war to end all wars Armageddon It concerns the Messiah's return during a time of trouble and turmoil known as the Tribulation It also comments about our

current situation in the world economics technology unbelief wars weather patterns etc It s primary villain is the antichrist who comes to deceive the nations of the world and attacks God s people This antichrist is under the control of Satan himself But the finality of it all is the issuance of a peaceful one thousand year millennium by the Messiah Himself The author wants the reading audience to examine themselves to see if they are ready to receive Him the Son of God and live eternally with Him
