The Interest Group Society Value Pack W Mysearchlab 5th Edition:

The Interest Group Society- (Value Pack W/MySearchLab) Jeffrey M. Berry, Clyde Wilcox, 2009-01 MySearchLab provides students with a complete understanding of the research process so they can complete research projects confidently and efficiently. Students and instructors with an internet connection can visit www.MySearchLab.com and receive immediate access to thousands of full articles from the EBSCO ContentSelect database. In addition, MySearchLab offers extensive content on the research process itself, including tips on how to navigate and maximize time in the campus library, a step-by-step guide on writing a research paper, and instructions on how to finish an academic assignment with endnotes and bibliography. Considered the gold standard on interest group politics, *The Interest Group Society* 5e analyzes interest groups within the intuitive framework of democratic theory, enabling students to understand the workings of interest groups within the larger context of our political system. Comprehensive coverage includes not only the traditional farm labor and trade associations but also citizen groups, public interest organizations, corporations, and public interest firms. **The Interest Group Society** Jeffrey M. Berry, Clyde Wilcox, 2009. Considered the gold standard on interest group politics, this widely used text analyzes interest groups within the intuitive framework of democratic theory, enabling readers to understand the workings of interest groups within the larger context of our political system. Comprehensive coverage includes not only the traditional farm labor and trade associations but also citizen groups, public interest organizations, corporations, and public interest firms. Brief in page count yet comprehensive in coverage, the book is flexible for different class settings. The book's rich content and lean size allows it to stand alone as the centerpiece of a course or be assigned as one of several texts.
