Videos such as *Black or White* and *Scream* made him a staple on MTV in the 1990s. Through stage performances and music videos, Jackson popularized a number of dance techniques such as the robot and the moonwalk, to which he gave the name. His distinctive musical sound and vocal style have influenced numerous hip hop, pop, contemporary R & B, and rock artists. Jackson's 1982 album *Thriller* is the best-selling album of all time. His other records, including *Off the Wall* (1979), *Bad* (1987), *Dangerous* (1991), and *HIStory* (1995), also rank among the world's best-selling. - The Jackson 5 James Hoag, 2020-09-03. The Jackson family started out in a humble four-room home in Gary, Indiana. But due to the persistence and drive of their father, a group of singers known as the Jackson Five became the leading performers in this country. The five brothers were Jermaine, Jackie, Tito, Marlon, and of course Michael. After being signed by Motown Records, they became their biggest act, shadowing The Supremes and even Stevie Wonder. All of their first four singles went to number one, a feat that had never been done before. This book chronicles the beginnings and the rise and eventual decline of the Jackson Five as a group. Michael is covered in his younger years when he was a part of the group. After Michael left the Jacksons, he went on to become the King of Pop and the greatest performer in the world during the Eighties. That adventure is chronicled in a separate book, *Legends of Rock Roll: Michael Jackson: The Solo Years*. All the *Legends of Rock Roll* books are essentially biographies, but I am interested primarily in the music. You'll find that the emphasis is on the music, how it came to be, who wrote it, and who performed it, and any juicy tidbits about any given song or album. If you like the music of the Jackson Five, scroll up and buy now. You will enjoy it. **Child Musical Groups** Source: Wikipedia, 2013-09. Excerpt: The Jackson 5 also spelled The Jackson Five or The Jackson 5ive, later known as The Jacksons, were an American popular music family group from Gary, Indiana. Founding group members Jackie, Tito, Jermaine, Marlon, and Michael formed the group after performing in an early incarnation called The Jackson Brothers, which originally consisted of a trio of the three older brothers. Active from 1964 to 1990, the Jacksons played from a repertoire of R & B. Later, Jackson 5 hits were crafted chiefly by Hal Davis, while early Jacksons hits were compiled by the team of Gamble and Huff. Before The Jacksons began writing and producing themselves in the late 1970s, significantly, they were one of the first black teen idols to appeal equally to white audiences.
