God loves you just the way you are but he refuses to leave you there He wants you to be just like Jesus Can you think of a better offer In Just Like Jesus pastor and bestselling author Max Lucado reminds us that being just like Jesus feels like an impossible goal until we accept one simple truth God loves us Jesus felt no guilt God wants you to feel no guilt Jesus had no bad habits God wants to do away with yours Jesus had no fears God wants the same for you Jesus had no anxiety about death you needn't either God's desire his plan his ultimate goal is to make you into the image of Christ Not only does God love each of us exactly as we are he wants us little by little to become like him He doesn't love us and leave us alone he loves us enough to live within us making our hearts his home But doing so requires a bit of sprucing up remodeling refurnishing Why Because he wants us to have a heart like his too Just Like Jesus will teach you how far God will go to transform us into his likeness Along the way Max addresses questions that might arise as you examine the peaceful passionate and pure heart of Christ including How do we know that God wants us to be made in his image How does this change occur If God wants me to be just like Jesus why do I still seem just like me In Just Like Jesus Max gives you the tools you need to better understand God's gracious gift of transformation and restoration so you too can start to live Just Like Jesus The Trials, Crucifixion, and Burial of Jesus of Nazareth Woodrow Michael Kroll,2024-09-19 No event in the history of humankind has elicited more comment or sparked more controversy than the trials crucifixion and burial of Jesus of Nazareth The Trials Crucifixion and Burial of Jesus of Nazareth investigates each of these events in much detail from the historical archaeological theological geographical and biblical viewpoints The book distinguishes between the late night hurriedly called meeting of a quorum of Sanhedrin members and the official meeting in the Chamber of Hewn Stone the next morning It examines the ten charges made against Jesus and why they changed so often throughout his trial It also investigates the twenty five obvious irregularities from Jewish law that were evident in Jesus trial Explored is the

legitimacy of applying Mishnaic law to a first century trial Every suggested location for the trial and crucifixion of the Master is explored along with the question Did Jesus really die and does it matter Finally a complete inventory of Jesus physical emotional and spiritual suffering between Gethsemane and Golgotha is provided along with appropriate comments This book is something of a one stop shop for all things related to the trials crucifixion and burial of Jesus [The Law Times Reports](#),1871 **The Law Times Reports of Cases Decided in the House of Lords, the Privy Council, the Court of Appeal ... [new Series].**,1871 *Autobiographical Writings by Early Quaker Women* David Booy,2024-11-01 While writings by early modern Quaker women have been discussed and quoted fairly extensively relatively few of their texts are readily or widely available The chief purpose of this edition is to rectify this state of affairs in one central area that of autobiographical writing The edition contains substantial excerpts from a range of self writings by Quaker women composed between the 1650s and circa 1710 letters testimonies memoirs accounts of spiritual development narratives of persecution and imprisonment Six of the texts have been freshly edited from manuscripts including Mary Penington s A Brief Account the others have been transcribed from the first printed editions In his general introduction to the volume the editor sketches the history of the Quaker movement from the 1650s to the early 1700s and considers the role of female Quakers during the first and second phases of the movement The introduction also surveys the types and purposes of autobiographical writings produced by female Friends and relates these writings to key Quaker ideas concerns and practices regarding the inner light scripture testimony plain speaking friendship gender and community Booy indicates the wider context of the development of autobiographical writing during the seventeenth century and discusses briefly issues to do with the construction of the self in writing Each text is prefaced by a substantial headnote providing biographical and historical information Footnotes supply biblical and other references and gloss unfamiliar or specialist vocabulary The volume includes a comprehensive bibliography of primary and secondary materials The edition is aimed at all those interested in the history of the Quakers whether they be scholars in the fields of religious cultural and women s studies or of history and literature generally [Littell's Living Age](#),1847 **Littell's Living Age** Eliakim Littell,Robert S. Littell,1847 *Jesus of Nazareth: Lord and Christ* Joel B. Green,Max Turner,1999-01-20 The problem of the historical Jesus remains one of the most important themes in New Testament scholarship Closely related to this problem is the question How far can the impact made by the earthly Jesus and his own self understanding sustain the weight of the Christological construction put upon them by the early church In the past two decades some scholars have taken an increasingly gloomy attitude toward the possibility of knowing anything of substance about Jesus from the Gospels or at the opposite extreme have sometimes made outlandish claims about him Others like the contributors to this volume have begun moving the discussion into fresh areas of creative responsible inquiry **God, Guns, Gold and Glory** Lauren Langman,George Lundskow,2016-09-12 America beginning as a small group of devout Puritan settlers ultimately became the richest most powerful Empire in the history of the world but having reached that point is now

in a process of implosion and decay This book inspired by Frankfurt School Critical Theory especially Erich Fromm offers a unique historical cultural and characterological analysis of American national character and its underlying psychodynamics Specifically this analysis looks at the persistence of Puritan religion as well as the extolling of male toughness and America's unbridled pursuit of wealth Finally its self image of divinely blessed exceptionalism has fostered vast costs in lives and wealth But these qualities of its national character are now fostering both a decline of its power and a transformation of its underlying social character This suggests that the result will be a changing social character that enables a more democratic tolerant and inclusive society one that will enable socialism genuine participatory democracy and a humanist framework of meaning This book is relevant to understanding America's past present and future **The Living Age** ,1847 **A**
