Katz, 2014-04-11 As the world is consumed by massive floods one Texas family chooses to build their own survival raft in this climate disaster novel Before the Big Flood Liz Green worried more about getting in trouble at school than global climate change She lives on the Texas Coastal Plain with her single mother brilliant older brother and awkward younger brother But as the water keeps rising her family along with billions of people all over the world are stuck between the rising seas and snarled escape routes The military is overwhelmed and the wealthy are rushing to their secret ocean habitats But a website called RaftPeople.com is helping ordinary people construct homemade crafts to float out of the disaster Now Liz and her family must work together with their neighbors a female special forces officer and a retired naval engineer to build their craft before their Houston suburb floods **Little Dead Man** Jake Bible, 2014-05-15 Decades after the zombie apocalypse seventeen year old Garret Weir just wants to be a normal teenager As if dealing with the zombies isn't hard enough his annoying twin brother refuses to leave him in peace And it's not like Garret can just go to his room and shut the door to get away His brother Garth is a zombie and conjoined to the top of Garret's spine Good times Forced from his hidden mountain compound Garret must learn who to trust and who to fear as he and Garth are thrust into a world more horrific than anything they could imagine Fighting for their lives in a foreign landscape the brothers head north to find their father who may have the answer to the deadly virus that caused the zombie apocalypse Along their way they meet new friends learn betrayal the hard way fight for their mother's life run from deadly enemies and discover that life may have seemed difficult before but can always get a whole lot worse A fast paced high action novel that doesn't pull any punches Little Dead Man is a surprisingly sweet story of two brothers one living one undead that struggle with a

mother that is mentally unstable a missing father that has kept too many secrets and a lie their parents have always told that they are the last survivors on Earth When the truth of that lie is revealed Garret and Garth quickly find out that having other survivors in the world isn't exactly a good thing In fact it's quite deadly **Raft People 2: Floaters** M.L. Katz, 2014-05-30

The U S Navy conscripted Andrew Green before he ever got to join his family as they set out to become Raft People in order to survive the Big Flood After the Big Flood his old city of Houston lies under the new Sea of Mexico but at least Andrew knows that his siblings Liz and Mark have been safely settled in Colorado But Ensign Andrew Green is still far from Texas or Colorado as he patrols the Sea of Mexico over what used to be most of Florida During this time he works long hours to do his duty and retreats inside his head to relieve his loneliness and imagine a world that should have been Then his group gets called to deliver supplies to the floating city of New Miami Andrew meets a lovely young floater woman named Clara but she's got secrets that can threaten Andrew's career and even his life Andrew recruited and promoted too young feels like a kid in a sailor suit as the crew tries to beat the storm and rescue anybody they can Still he can't help thinking of Clara But is this a good time to fall in love with a woman who may have almost ruined his career and even risked his life Retributor (Hellgate, Montana Book 2) Al Halsey, 2015-10-27

Retributor Jeremiah Brandt has already riled up the zombie cavalry and he's still angry over losing a huge bounty on a clan of serial killers So when the Helena Cattlemen's Association asks for help with a werewolf he jumps at the chance to take it on There are a few little kinks to work through first before he can get down to the hunt starting with zombies a revengeful sister and cold bath water But the hunter soon becomes the hunted as Brandt discovers that his past mistakes have come back haunt him *The Eerie Adventures of the Lycanthrope Robinson Crusoe* Peter Clines, H. P. Lovecraft, Daniel Defoe, 2016-03-08

Robinson Crusoe is one of the most enduring adventures of the past four centuries and one of the most well known works in the English language Or is it Recently discovered amidst the papers of the 20th century writer and historian H P Lovecraft is what claims to be the true story of Robinson Crusoe Taken from the castaway's own journals and memoirs and fact checked by Lovecraft himself it is free from many of Defoe's edits and alterations From Lovecraft's work a much smoother simpler tale emerges but also a far more disturbing one Here Crusoe is revealed as a man bearing the terrible curse of the werewolf and the guilt that comes with it a man with no real incentive to leave his island prison The cannibals who terrorized Crusoe are revealed to be less human than ever before hinted at worshippers of a malevolent octopus headed god And the island itself is a place of ancient evil mysteries that threaten Crusoe's sanity and his very soul This version of the classic tale assembled by two legends of English literature and abridged by Peter Clines is the terrifying supernatural true story of Robinson Crusoe as it has never been told before Page 4 of cover

An Ex-Heroes Collection Peter Clines, 2016-02-02 A genre bending thriller series from Peter Clines bestselling author of 14 and The Fold In the days after civilization fell to the zombie hordes a small team of heroes including St George Zzzap Cerberus and Stealth does everything they can to protect human survivors Each day is a desperate battle against

overwhelming odds as the heroes fight to keep the undead at bay provide enough food and supplies for the living and lay down their lives for those they've sworn to protect. But the hungry ex-humans aren't the only threats the heroes face. Former allies, their powers and psyches hideously twisted, lurk in the shadows of the ruin that lies everywhere, and they may be the most terrifying threat of all. Find out whether the heroes survive in this special omnibus edition featuring the first four books in the series: *Ex Heroes*, *Ex Patriots*, *Ex Communication*, and *Ex Purgatory*, with an excerpt from the fifth book *Ex Isle*.

Ex-Communication Peter Clines, 2013-07-09 The third novel in Peter Clines' bestselling *Ex* series. All of us try to cheat death. I was just better prepared to do it than most folks. In the years since the wave of living death swept the globe, St. George and his fellow heroes haven't just kept Los Angeles' last humans alive; they've created a real community, a bustling town that's spreading beyond its original walls and swelling with new refugees. But now one of the heroes, perhaps the most powerful among them, seems to be losing his mind. The implacable enemy known as Legion has found terrifying new ways of using zombies as pawns in his attacks. And outside the Mount, something ancient and monstrous is hell-bent on revenge. As Peter Clines weaves these elements together in yet another masterful, shocking climax, St. George, Stealth, Captain Freedom, and the rest of the heroes find that even in a city overrun by millions of ex-humans, there's more than one way to come back from the dead.

God's Junk Drawer Peter Clines, 2015-11-11 From New York Times bestselling author Peter Clines, *God's Junk Drawer* is a mind-bending tale of mystery and adventure set at the dawn of time. Welcome to the valley. Forty years ago, the Gather family—James, his daughter Beau, and his son Billy—vanished during a whitewater rafting trip and were presumed dead. Five years later, Billy reappeared on the far side of the world, telling an impossible tale of a primordial valley populated by dinosaurs, aliens, Neanderthals, and androids. Little Billy became the punchline of so very many jokes until he finally faded from the public eye. Now a group of graduate astronomy students follow their professor, Noah Barnes, up a mountain for what they believe is a simple stargazing trip. But they're about to travel a lot farther than they planned. Noah, the now-grown Billy Gather, has finally figured out how to get back to the valley, accidentally bringing his students along with him. He's confident he can get everyone back home safe and sound. But the valley is a puzzle, one it turns out Noah hasn't figured out, and they'll need to solve it together if there's any chance of making it out alive. Pulling from Earth's past, future, and beyond, Peter Clines has created a complex, dangerous world navigated by a dynamic ensemble cast and a story that is as thrilling as it is funny and heartfelt.
