The Lair Of Raven:

The Lair of Raven Col Craig W Duehring Usaf, Craig Duehring, 2014-12-24 Ask any fighter pilot or Forward Air Controller from the Vietnam era and he'll tell you that he heard about it While the war in Vietnam ebbed and flowed with alternating violence and boredom there was a rumor of another war somewhere else where men flew long hours in propeller aircraft without markings into constant danger in a land where adventure reigned supreme where common sense replaced the hated Rules of Engagement and where a man could finally test the limits of his abilities These pilots were few in number and their call sign was Raven This is the wartime autobiography of one of the few pilots ever to fly under that now famous call sign Craig Duehring lived and flew out of the guerilla headquarters at Long Tieng Laos in support of the iconic Hmong leader Major General Vang Pao for a longer tour of duty than any other Raven During that time he knew many of the most notable Ravens and participated in many tragic events of the day including the famous St Valentine's Day Massacre This is the story of how one young man left the farm country of southern Minnesota and embarked on a career as an Air Force pilot during the height of the Vietnam War Equally as important as the combat he experienced is his personal triumph over repeated obstacles and near disasters to achieve his dream that will be a source of inspiration for young readers everywhere Do such challenges attract the best men or were they average men who were simply doing their personal best Judge for yourself Guardian of the Vision Irene Radford, 2012-03-12 Religious wars mar the glory of the early years of Queen Elizabeth I reign A descendant of Merlin and King Arthur must step forward and show the world that you can put faith before politics The glory of the Elizabethan Age is tarnished by the continuing religious conflict begun by Henry VIII Griffin Kirkwood renounces his title his lands his love for the mysterious demon ridden Roanna and his magical heritage as a descendant of both King Arthur and the Merlin to become a Catholic priest in France His twin Donovan his mirror image in face and form and rarely more than a thought away shoulders the responsibilities willingly He agrees to two arranged marriages one after the other and takes on the outward appearance of whichever religion is dominant to protect all that he loves but without magic or the love of his life Together and separately the twins must fight to guide Queen Elizabeth through the intricate maze of politics and religion Their spiritual and magical journeys cross each other oppose and re-align as they battle internal demons and external threats Nevermore Nik Kerry, 2014-09-25 From the nationally award winning playwright 2013 VSA Playwright Competition The Kennedy Center Washington DC When Raven's world comes crashing down around her and her thoughts turn to suicide this is exactly what she does As she swings the last swing of her life she jumps off sprouts wings and flies away to another world where she finds a group of teenagers just her age who accept her into their lives Led by Crow the group goes on a quest to lift a curse put on Crow by two witches hell bent on killing him destroying the kingdom and bringing forth the necromancer known only as the Sorcerer But as Raven delves deeper into the new world she discovers a land full of darkness a world that parallels the one that she left And when all is said and done it is

she who will have to stand before the Sorcerer and confront him as the fierce defender she never knew she could be

Raven's Revenge Roy French, 2005 Raven s Revenge In a sequel to his award winning Raven s Honor and Raven s Fury Roy French returns with another tale of the Raven aka Daniel Riordan once the most feared of all paramilitary enforcers in Ireland When Riordan joins the firm run by a security specialist named Brian Featherstone Feather to his friends his first assignment takes him across the ocean to France where he is to act as an intermediary for a ransom delivery Through no fault of his own the handover goes horribly wrong and Riordan is wounded However he recognizes the kidnapper as Sean Wallace a hard case from his previous life and vows to track him down To do so he must return to the hinterlands of Belfast and seek out connections that have long lain dormant Many surprises lie in store for him and he finds himself being played like a pawn in a chess game He tracks down his prey and exacts revenge but just as he thinks he has resolved the case an assault comes from an unexpected quarter leaving a friend dead in its wake Angered by the deceptions and mis direction he discovers that Major Skinner the head of covert operations was behind the entire operation and used him deliberately as bait to kill Wallace Knowing the truth now makes Riordan a liability and the Major will stop at nothing to ensure that it does not surface But Riordan has one last surprise for the Major Once again French takes us on an adrenaline pumping ride with former friends becoming fervent enemies There is barely time to catch a breath before the pace accelerates and our hero is thrown into situations where it seems almost impossible for him to survive The action as always never lets up and the plot has more twists and turns than an Irish laneway
