## **The Lascivious Monk:**

**The Lascivious Monk** Jean-Charles Gervaise De Latouche, 2025-07-22 Jean Charles Gervaise de Latouche's *The Lascivious Monk* a work of erotic fiction exploring themes of religious hypocrisy and sexual liberation. The narrative centers on Father Pineraide, the outwardly pious Abbot of Motte sur Vy, whose true nature is revealed as deeply lascivious. He uses his position of power and authority to exploit the vulnerability of young women, preying on their innocence and religious devotion. The novel depicts a series of explicit sexual encounters showcasing Pineraide's predatory behavior and the women's varying degrees of agency and complicity. The graphic descriptions detail diverse sexual acts and positions, presenting a blatant rejection of societal norms and religious morality. The story features a progression of encounters from a private confession leading to seduction to encounters with the woman's mother, a housemaid, and ultimately a woman of high social standing. The author employs highly detailed and sensual language, leaving little to the reader's imagination. While the text revels in the depiction of sexual pleasure and transgression, a subtle undercurrent exists, hinting at the potential consequences and the possibility of Pineraide's actions ultimately leading to his downfall. The work should be approached with awareness of its explicit content and its exploration of power dynamics within a religious context. It functions as a critique of societal hypocrisy and the corrupting influence of unchecked power, though expressed through highly graphic and sexually charged scenes.

[The Lascivious Monk](#), 1970      **The Lascivious Monk** Anon Anonymous, 2013-01-18 When young girls stepped into the handsome priest's confession booth, the cloth became just another garment to remove. The good monk was consumed by a sexual rampage, a ceaseless quest for satisfaction that led him to the doors of death and beyond. Seabrook corrupts the virile priest, committed acts in the name of salvation which became his one-way ticket to doom.

**Dom B., the Lascivious Monk** Jean-Charles Gervaise de Latouche, 1970      *The Lascivious Monk* Jean-Charles de Latouche, 2016-07-07 The young and handsome new Abbot of Motte sur Vy, Father Pineraide, is not as pure as his parishioners would believe. Leaving many a girl swooning at first meeting, our salacious man of the cloth wastes no time pursuing the lithe young women he first meets. Confessing her sins to him in his own house, that she has had impure thoughts of him while satisfying herself, Father Pineraide suggests blessing her with his holy rod to absolve her fully and completely, within and without. What follows is the lewdest display of ravishment as our young priest holds little back to bring our innocent beauty to heights of orgasmic passion previously unknown. And after her mother visits with her son, then the housemaid, then the village soon to be crowned Queen of Virtue who has a damaged nail, and Father Pineraide's very exploratory way of curing it. This Sadian tale of Bacchanalian revelry and debauchery describes all manner of coupling and rutting in positions à la front and rear and all combinations of sexes, all told in sumptuously graphic detail that leaves nothing to the imagination. But will these sinful practices of such deeds and devices prove to be our priest's ultimate downfall?

*Pragmatic Utopias* Rosemary Horrox,Sarah Rees Jones,2001-11-29 This collection of essays was presented to Barrie Dobson in celebration of his 70th birthday It will be welcomed by all scholars of pre modern religion and society Spanning the artificial divide between medieval and early modern the contributors all acknowledged experts in their field pursue the ways in which men and women tried to put their ideals into practice sometimes alone but more commonly in the shared environment of cloister college or city The range of

topics is testimony to the breadth of Barrie Dobson's own interests but even more striking are the continuities and shared assumptions across time and between the dissident and the impeccably orthodox. Taking the reader from a rural anchor hold to the London of Thomas More and from the greenwood of Robin Hood to the central law courts this collection builds into a richly satisfying exploration of the search for perfection in an imperfect world.
