The Life Of The Servant:

The Life of the Servant Heinrich Seuse,1952 The Life of the Servant is one of the world s greatest religious biographies It is the work of a saint one of that remarkable trio of 14th century German mystics of whom the others were Eckhardt and Tauler who was also a poet The book was never intended for publication and owes its preservation to an accident What Suso confided to his spiritual daughter was meant for her ears alone In order to console a highly gifted woman in the acute sufferings that preceded her death he unfolded his own hidden life The value of the book lies in its remarkable simplicity coupled with its unsurpassed poetic beauty
