about being average It s not a bad thing but it isn t necessarily great either After growing up in suburban New England following the social norms and reluctantly falling into the average category in just about everything Brad Herrick wasn t quite ready to take on the average adult lifestyle yet With the light shining bright at the end of the college tunnel Brad finds himself with the opportunity of a lifetime after he made a joke comment to his dad a chance to hike the infamous Appalachian Trail The conversation went something like this Brad I don t want to grow up yet I ll just go and hike the Appalachian Trail Dad Okay Do it Brad Wait what Follow Brad as he tries to conquer the extraordinary as he walks almost 2 200 miles from Katahdin in Maine through fourteen states to Springer Mountain in Georgia As his average life slowly takes a back seat it s gradually replaced with exciting funny and ridiculous adventures both on and off the trail with friends old and new It s a trail of discovery as Brad finds perseverance adventure an expanded world view a love of food and reading the proper use of diaper rash cream and the journey out of the average category *A Long Walk in the Alps* Pete Buckley,2008 There can be no more enduring symbols of the Alps than the Eiger and the Matterhorn These two great mountains have inspired climbers throughout Europe while the towns at their feet Grindelwald and Zermatt have become World famous resorts *A Long Walk in the Alps* describes a journey beginning under the shadow of the Eiger s infamous north wall and finishing in the high meadows beneath the soaring ridges of the Matterhorn The trail from Grindelwald leads first through the idyllic Jungfrau Region before heading off to high passes forgotten valleys and sleepy alpine villages on the way to its destination in Zermatt If you are after a book that gives an insight into the experience of travelling in Switzerland rather than just directions then *A Long Walk in the Alps* is for you **The Long Walk Home** Val Wood,2009-03-26 At only thirteen Mikey Quinn is arrested for stealing a rabbit to feed his family Despite his age he s shown no mercy by the wealthy lawyer who sends him to prison He returns home to find that his mother has died and his younger siblings taken into the workhouse With only his determination Mikey makes his way to London to seek a better life for his family Whilst there he meets Eleanor who he recognises as the daughter of the lawyer who ruined his life Desperate they band together forging a new life for themselves on the streets of London Overlooking their initial differences the two come to rely on each other and when the time comes to return to Hull they face the long walk home together **The Long Walk to Freedom** Devon W. Carbado,2012-08-21 In this groundbreaking compilation of first person accounts of the runaway slave phenomenon editors Devon W Carbado and Donald Weise have recovered twelve narratives spanning eight decades more than half of which have been long out of print Told in the voices of the runaway slaves themselves these narratives reveal the extraordinary and often innovative ways that these men and women sought freedom and demanded citizenship Also included is an essay by UCLA history professor Brenda Stevenson that contextualizes these narratives providing a brief yet comprehensive history of slavery as well as a look into the daily life of a slave Divided into four categories running away for family running inspired by religion running by any means necessary and running to be free these stories are a testament to the indelible spirit of these remarkable survivors

The Long Walk to Freedom presents excerpts from the narratives of well known runaway slaves like Frederick Douglass and Harriet Jacobs as well as from the narratives of lesser known and virtually unknown people. Several of these excerpts have not been published for more than a hundred years. But they all portray the courageous and sometimes shocking ways that these men and women sought their freedom and asserted power often challenging many of the common assumptions about slaves' lack of agency. Among the remarkable and inspiring stories is the tense but triumphant tale of Henry Box Brown who with a white abolitionist's help shipped himself in a box over a twenty seven hour train ride part of which he spent standing on his head to freedom in Philadelphia. And there's the story of William and Ellen Craft who fled across thousands of miles with Ellen who was light skinned disguised as a white male slave owner so she and her husband could achieve their dream of raising their children as free people. Gripping, inspiring and captivating. The Long Walk to Freedom is a remarkable collection that celebrates those who risked their lives in pursuit of basic human rights. *The Long Walk Home* Scott C.

Anderson, 2017-09-25 This is a story of loneliness and fulfillment. A young man will leave the paradise of his blue water world and start a journey to find and save his people. An occupation could be called slavery depending on your viewpoint. Dhan Sokin will fight for his people so they in turn can fight for their own freedom. A young woman will discover that the leaders of her people place a finite price on personal value. During a negotiation a battleship captain will underestimate the value of Jasmine Jones freeing her from the bonds of one man's appraisal. Jasmine will thrive but not without hard work, persistence and the help of a few friends. **A Long Walk Home** James S. Kelly, 2022-06-06 Larry Stephens is an American airman

serving in Vietnam while his beloved wife Jeanie patiently awaits his homecoming. The worst occurs when Larry is shot down over North Vietnam. He somehow manages to evade the enemy and return home. However Larry does not receive the hero's welcome he expected. Instead he is accused of desertion and collaboration with the enemy. To make matters worse Jeanie has taken a lover and filed for divorce and the Vietnamese have sent agents to bring Larry back to face trial. Seemingly betrayed and alone Larry fights to clear his name, win back his wife and escape the teams sent to kidnap him. He sought to serve his country with honor now all he wants is to return home to his family in peace. *The Longest Walk* George
