

The Long Earth is open.
Humanity has spread across untold worlds linked by fleets of
airships encouraging exploration, trade and culture.

But while mankind may be shaping the Long Earth, the Long
Earth is, in turn, shaping mankind – and a collision of crises is
looming. More than a million steps from the original Earth a new
America is emerging – a young nation that resents answering to
the Datum government.

And the trolls – those graceful, hive-mind humanoids whose
song once suffused the Long Earth – are, in the face of
man's inexorable advance, beginning to fall silent . . . and to
disappear.

It was Joshua Valienté who, with the omniscient being known
as Lobsang, first explored these multiple worlds. And it is to
Joshua that the Long Earth turns for help. For there is the very
real threat of war . . .

. . . . a war unlike any fought before.

their quantum playground; their playfulness infuses
every passage'**

Daniel Abdal-Hayy Moore,2006-06-01 COATTAILS OF THE SAINT is a collection of poems which chase after the coattails of sanctity in this world with its meanings set up as images a Sufi definition of what we take around us as reality and those souls living among us right now and forever who have had bestowed upon them that dimension of sanctity which sets them apart while making them at the same time true human beings Imagination has given these poems a saintly thread with no particular saint in any traditional pantheon meant but rather that essence of simple sainthood of which we are all God willing capable THE COMPLETE NICK ARMBRISTER POETRY COLLECTION Volume 2 1996 - 2013 Nick Armbrister,2013-12-08

a dream just before waking of a shelf filled with books and I was reading the titles when a spotlight hit the spine of one book that also seemed to protrude from the others and be coming out of the shelf toward me On it were the words In the Realm of Neither that remained vivid and unforgettable upon waking poem If all the wood in the world were to sing and every rose gave a political speech and every cloud took pity on its neighbor and every stone composed an epic poem about being a stone and each of us saw God direct with our own eyes in naked vision as clearly as we see ourselves stooping to drink from a lake

Red Dynamite Carl R. Weinberg,2021-10-15 In Red Dynamite Carl R Weinberg argues that creationism s tenacious hold on American public life depended on culture war politics inextricably embedded in religion Many Christian conservatives were convinced that evolutionary thought promoted immoral and even bestial social sexual and political behavior The fruits of subscribing to Darwinism were in their minds a dangerous rearrangement of God given standards and the unsettling of traditional hierarchies of power Despite claiming to focus exclusively on science and religion creationists were practicing politics Their anticommunist campaign often infused with conspiracy theory gained power from the fact that the Marxist founders the early Bolshevik leaders and their American allies were staunch evolutionists Using the Scopes Monkey Trial as a starting point Red Dynamite traces the politically explosive union of Darwinism and communism over the next century Across

those years social evolution was the primary target of creationists and their ideas have consequences strategy instilled fear that shaped the contours of America s culture wars By taking the anticommunist arguments of creationists seriously Weinberg reveals a neglected dimension of antievolutionism and illuminates a source of the creationist movement s continuing strength Thanks to generous funding from Indiana University and its participation in TOME Toward an Open Monograph Ecosystem the ebook editions of this book are available as Open Access volumes from Cornell Open cornellpress.cornell.edu/cornell-open and other repositories

Through Rose Colored Glasses / Poems Daniel Abdal-Hayy Moore, 2008-04-07 THROUGH ROSE COLORED GLASSES is a book of visionary poems mindful of the story of Sayyidina Isa Jesus peace be upon him who one day passed by a decaying dog carcass in the road with his companions and replied when they complained at how rank it smelled Yes but its teeth are beautiful We can live our lives in misery seeing only the miserable aspects of this often grindingly difficult existence or in peace seeing the beautiful and majestic Handprint of The Divine Reality in everything These often ecstatic poems mindful of the former prefer the latter for their inspiration and their goal
