The Lost Distinctive The Weakening Of Baptist Churches:

The Lost Distinctive: the Weakening of Baptist Churches Pierre Coover, 2015-01-13 There is a decline in holiness and in doctrinal knowledge among church members Modern Christians are just doing that which is right in their own eyes Something must be done if we want to see God's blessing in our churches our families and our nation We don't have a political problem or a moral problem we have a spiritual problem Only spiritual revival will solve it This has happened because our churches have exchanged the authority of God's word for the opinions of men Too many fear being rejected by man more than being rejected by God Many preachers are telling people that God exists to serve them They make God the servant of men rather than men being the servants of God Our approach to evangelism has change so our methods bear no resemblance to the methods found in the New Testament Today the emphasis is on the Love of God in the Bible the emphasis is on God's wrath toward unrepentant sinners It is my hope that you will be motivated to search the Scriptures to see where things have slipped The only hope for our churches our families our nation and the world is a return to the principles of the Scriptures

Churches and the Crisis of Decline (Ministry in a Secular Age Book #4) Andrew Root, 2022-03-01
Named One of Fifteen Important Theology Books of 2022 Englewood Review of Books Congregations often seek to combat the crisis of decline by using innovation to produce new resources But leading practical theologian Andrew Root shows that the church's crisis is not in the loss of resources it's in the loss of life and that life can only return when we remain open to God's encountering presence This book addresses the practical form the church must take in a secular age Root uses two stories to frame the book one about a church whose building becomes a pub and the other about Karl Barth Root argues that Barth should be understood as a pastor with a deep practical theology that can help church leaders today Churches and the Crisis of Decline pushes the church to be a waiting community that recognizes that the only way for it to find life is to stop seeing the church as the star of its own story Instead of resisting decline congregations must remain open to divine action Root offers a rich vision for the church's future that moves away from an obsession with relevance and resources and toward the living God This is the fourth book in Root's Ministry in a Secular Age series *A Sacred Trust* Dean

Anderson, 2015-08-25 Just what makes a Baptist a Baptist What are the beliefs that set Baptists apart from other Christian churches and are they of any real importance for the local church member who just wants to follow Jesus Four centuries of Baptists have found those distinctive beliefs to be the command of Jesus in the Scripture have expressed their love for him by holding and practicing them and have passed that sacred trust down to us A church which fails to know and value its Baptist identity becomes subject to error and false teaching and loses the heritage for which its Baptist ancestors were willing to suffer and die The sermons in this book provide a helpful introduction to the beliefs which distinguish Baptists from other Christian groups and churches and help readers to consider those beliefs in their proper level of importance Extensive guides to additional resources in the distinctive beliefs of Baptists and in doctrinal preaching are provided for those desiring further

study and for pastors interested in developing similar messages Includes endorsements from Chuck Kelley and Lloyd Harsch of New Orleans Baptist Theological Seminary and Fisher Humphreys of Beeson Divinity School *A Distinctive People* Brian R. Talbot, 2014-10-07 *A Distinctive People* is the first detailed academic study of some important themes amongst Baptists in Scotland in the twentieth century The authors specialists in their field evaluate aspects of the history of Baptists with critical and academic awareness attitudes to war and pacifism the influence of the charismatic movement involvement in social action contributions to ecumenical relations the logical influences on Baptists home mission key leaders within the denomination men and women both those ordained to pastoral ministry and lay people This book is bound to be a seminal study of this subject for years to come Open Communion Leonidas Rosser, 1858 *The Baptist Magazine*, 1848 **A Global Introduction to Baptist Churches** Robert E. Johnson, 2010-09-13 Coinciding with the four hundredth anniversary of the birth of the Baptist movement this book explores and assesses the cultural sources of Baptist beliefs and practices Although the movement has been embraced enriched and revised by numerous cultural heritages the Baptist movement has focused on a small group of Anglo exiles in Amsterdam in constructing its history and identity Robert E Johnson seeks to recapture the varied cultural and theological sources of Baptist tradition and to give voice to the diverse global elements of the movement that have previously been excluded or marginalized With an international communion of over 110 million persons in more than 225 000 congregations Baptists constitute the world's largest aggregate of evangelical Protestants This work offers insight into the diversity breadth and complexity of the cultural influences that continue to shape Baptist identity today *Church Unique* Will Mancini, 2010-06-15 Written by church consultant Will Mancini expert on a new kind of visioning process to help churches develop a stunningly unique model of ministry that leads to redemptive movement He guides churches away from an internal focus to emphasize participation in their community and surrounding culture In this important book Mancini offers an approach for rethinking what it means to lead with clarity as a visionary Mancini explains that each church has a culture that reflects its particular values thoughts attitudes and actions and shows how church leaders can unlock their church's individual DNA and unleash their congregation's one of a kind potential The Mission of Today's Church R. Stanton Norman, 2007-03-01 *The Mission of Today's Church* features twelve essays written by Baptist leaders addressing what it means to be a Christian today how believers best work together and what their future holds *A History of Texas Baptists* James Milton Carroll, 1923
