*Lost Teachings on Keys to Spiritual Progress* Mark Prophet, Elizabeth Clare Prophet, 1988 Gives you the tools to transcend life's circumstances and realize more of your higher self every day With inspirational stories of seven saints and mystics and their individual paths to self mastery     Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004

*Dictionary of the Bible* James Hastings, John Alexander Selbie, John Chisholm Lambert, Shailer Mathews, 1909     The Lost Teachings of Jesus, Book 1 Mark L. Prophet, Elizabeth Clare Prophet, 2020-01-01 Unmistakable evidence that many of Jesus teachings were altered deleted or never recorded In their classic series *The Lost Teachings of Jesus* Mark L Prophet and Elizabeth Clare Prophet prove that many of Jesus original teachings are missing They show that the New Testament records only a fragment of what Jesus taught That what was written down was tampered with by numerous editors or suppressed by guardians of the faith And that some of what was recorded has been misinterpreted to this day The authors fill in the gaps with a bold reconstruction of the essence of Jesus message They unfold the lost teachings Jesus gave in public to the multitudes and in secret to his closest disciples In modern vernacular they offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message And they answer questions that have puzzled readers of the Bible for centuries     Forthcoming Books Rose Army, 2002     The Lost Teachings of Jesus Mark L. Prophet, Elizabeth Clare Prophet, 1986 Mark and Elizabeth Prophet show that many of Jesus original teachings were lost Some were removed from the Gospels Others were suppressed or kept secret In modern vernacular the authors offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message They answer questions that have puzzled readers of the Bible for centuries     Religion Index One , 2003     Lost Teachings on Your Higher Self Mark L. Prophet, Elizabeth Clare Prophet, 1988 In Book 1 of their *Lost Teachings of Jesus* series Mark L Prophet and Elizabeth Clare Prophet demonstrate that many of Jesus original teachings were lost In Book 2 they go one step further They show how early churchmen aided and abetted by the Roman emperors Constantine and Justinian distorted Jesus true teachings And robbed you of what he wanted you to know about the power of your own inner Christ In modern vernacular parable and story the Prophets provide the missing links They explain the difference between Jesus and the Christ They show how the Church's doctrines on sin and the only begotten Son of God have obscured what Jesus really taught about salvation And they explore how Eastern concepts like karma reincarnation and chakras can be found wrapped in the mysteries he gave the disciples Most importantly they recapture the heart of his message that you like Jesus can reconnect with your Divine Source to realize your full potential     *The Misunderstood Jesus* Clyde Fant, 1996 Jesus offered to his disciples and all who would listen the lost keys to life keys that are still lost to our modern world Rediscover these keys as Fant discusses Jesus teachings on sanity wealth anger grace meekness unity and more     **Christian Zen** , 2003 A study of the Gospel of Thomas exploring what Jesus was really like and what he stood for It demonstrates that Jesus's teaching is akin

to Zen in that it has an emphasis on direct seeing rather than endless cognition      **The Lost Teachings of Jesus, Book 2** Mark L. Prophet, Elizabeth Clare Prophet, 2020-04-14 The New Testament records only a fragment of what Jesus taught In their classic series The Lost Teachings of Jesus Mark L Prophet and Elizabeth Clare Prophet prove that many of Jesus original teachings are missing      **The Original Teachings of Jesus** Michael Buckner, 2006-05-01 There are two lost gospels one found almost 60 years ago and the other found less than twenty years ago that we now know contain the oldest largest and most accurate collections of the teachings of Jesus These are The Gospel of Thomas and a gospel called Q1 These teachings amaze some people and disturb others because these documents were written before the early Christian church rewrote Jesus words to give us the New Testament gospels The Original Teachings of Jesus offers a unique translation of these two gospels The sayings have been organized to make sense and flow as they would from the mouth of Jesus Additionally this translation recovers root meanings and idioms from Jesus native Aramaic to bring the subtleties and flavor of his own culture to print For example God is called The One Heaven is called the World of Light Hell is never mentioned The original teachings of Jesus are deeply spiritual but they are not religious Salvation is offered but it is accomplished by spiritual enlightenment and has nothing to do with sin These teachings offer a clear set of instructions for achieving spiritual enlightenment and promise that seeking and practicing bring one to a personal experience of God and of The World of Light This is the only book to date that combines these two lost gospels in a way that uncovers the spiritual teachings of this mystic Aramaic teacher Jesus There are 134 teachings accompanied by an explanation of what they meant in the context of Jesus time and culture and a commentary on what the teachings mean in our own time Last but not least the Introduction tells the compelling stories behind both lost gospels Chapters include Spiritual Awareness How To Live Jesus Students God Jesus Wisdom and The Judeans      **Jesus and the Lost Goddess** Timothy Freke, Peter Gandy, 2011-08-10 Why Were the Teachings of the Original Christians Brutally Suppressed by the Roman Church Because they portray Jesus and Mary Magdalene as mythic figures based on the Pagan Godman and Goddess Because they show that the gospel story is a spiritual allegory encapsulating a profound philosophy that leads to mythical enlightenment Because they have the power to turn the world inside out and transform life into an exploration of consciousness Drawing on modern scholarship the authors of the international bestseller The Jesus Mysteries decode the secret teachings of the original Christians for the first time in almost two millennia and theorize about who the original Christians really were and what they actually taught In addition the book explores the many myths of Jesus and the Goddess and unlocks the lost secret teachings of Christian mysticism which promise happiness and immortality to those who attain the state of Gnosis or enlightenment This daring and controversial book recovers the ancient wisdom of the original Christians and demonstrates its relevance to us today      Jesus Is Not the Son of Yahweh (Jehovah) Yong Whe Koo, 2009-06-26 If you have some penetration to see Jesus teaching in four Gospels you know that Jesus doesn't call Jehovah as God or Father God or Father seen with the word of truth are not different expression
