Painful Pleasure Kate Bridges,2024-12-18 A little girl no more than six her pink fluffy frock swaying with each step approached two identical boys covered in mud She cocked her head and with all the curiosity of youth asked Why are you both sad The boys no older than twelve exchanged a glance before offering sweet resigned smiles Because we're dirty they said in unison and no one wants to play with us Her brows furrowed in sympathy but before they could say more the girl took their hands with surprising strength for someone so small Don't worry she said her voice as bright as a sunbeam I'll play with you Without waiting for an answer she led them to the park her small hand gripping theirs with determination Once they arrived she stopped and looked up at them her eyes wide with excitement Let's play volleyball She tossed a ball to one twin and stood next to the other her smile contagious The twins exchanged a glance then nodded in unison The elder twin smiled warmly Alright let's begin She shook her head suddenly her expression turning thoughtful But wait There are only three of us One of you would be alone Her face scrunched into a small pout as she kicked the ground trying to come up with a solution After a moment her face lit up with inspiration She quickly handed the ball to the boy in front of her You throw it and I'll run to the other side she declared her eyes gleaming with determination The elder twin raised an eyebrow amused but concerned The younger one more cautious watched her as she darted across the grass struggling to keep up with the pace of the game Her legs were tiny compared to theirs and yet she didn't give up After a few moments both twins stopped their concerned gazes following her frantic movements You'll get tired if you keep playing like this the elder twin said his voice soft but firm a protective edge to his tone The younger twin equally worried added You can't play with both teams at once It's too much for you But the little girl wasn't listening Out of breath but still grinning widely she shook her head and panted Yes I can I'll play with both of you Her cheeks flushed with the exertion but there was an unmistakable joy in her eyes A pure innocent determination that melted their hearts Despite their worries both brothers exchanged a silent agreement and continued the game their hearts swelling with affection for this tiny determined girl As they played they never imagined that years later that same little girl would grow into a beautiful woman unknowingly stirring feelings in them that they never expected What once began as a simple game would soon become something neither of them could escape **Women and the Mafia**

The Most Elusive Scent of All Arthur Winarczyk, 2013-05-23 A tale told by a dimension a living consciousness to which some psychic minds are attune to A tale about the Sicilian Mafia in the 18th century The consciousness projects mental images of this period Images of people faces rarely distinct in different situations The opening words of Chapter 8 is one way to explain such projections With night came a fierce storm with thunder and lightning and dark visions Maria slept poorly tossing and turning The tale is developed to fit cohesively into those images A tale about a Way of Life not about organized crime In the depression of the 1930s it was the gangster Al Capone who organized soup kitchens for hungry children in Chicago USA such a compassionate deed Why To aid the very poor is as much a trait of the Sicilian Mafia as are profits from prostitution Prostitution always has been one of the largest sources of revenue for the Mafia The Mafia Way of Life is not easily understood One reason is that word Mafia is a modern invented word This tale is about the people that became part of the Mafia in that period about their background and what led them to accept this Way of Life People like Pedro an ox of a man and bodyguard or Paulo so talented and saving the life of a woman who would become his wife sets him on a path of no return of Anastasia and Romeo a high class prostitute and a killer who fall in love Central to the tale is the seduction of the first Mafia priest which begins with mysterious notes slid under the church door in a room full of women I saw her face When the Vatican hears a whisper in the wind young Sister Lucy becomes the key to solving the mystery what does Mafia want with our priests Some still want the Sicilian Mafia to be a myth but read a modern researched book such as *Into the Heart of the Mafia* by David Lane and the question you may ask is not who in Sicily is Mafia but who is not It is a Way of Life ancient in origin The reader needs to bear in mind too that the original womans perfumes could only be made from an essence of a flower found on a tree that only grows in Italy Thus the Most Elusive Scent mentioned all too often could have been the first true perfume ever discovered Any wonder that scent had a powerful effect on men And if we were to ask the Sicilian Mafia dimension what is the one word that can best explain Sicilian Mafia the answer is si Italian for yes Only a born Sicilian can say si and cosa nostra our thing our way the Mafia way of saying those words In Sicily there is even a Mafia cosa nostra museum and it is ever so popular with tourists
