Tourism that hurts Pericles Lytras, Athina Papageorgiou, 2015-07-14 Tourism for the uninitiated reader is a bright sunny and interesting sector that satisfies the needs of resting quest knowledge fun curiosity and finally recreation This kind of tourism seeks and visualizes everyone in this tourism everyone seeks for the fulfilment of some of his desires this tourism is being dreamed before the journey and this one reminisce after completion In addition tourism offers a lot and important benefits to an individual to the destination to the country even to the globe from financial employment social cultural and

psychological point of view However this tourism has some other negative dark delinquent aspects such as sex tourism death tourism illegal medical tourism etc all which are highlighted systematically and in an analytical manner in this book as the invisible and defamatory side The contributors people that deacon scientifically and professionally tourism for years wish these iniquities and corruptions to be known to the state as well as to the wide public in order to find ways to confront them This book is addressed to all those that they love study or work in the tourism sector and through this are hoping of the reinforcement of its constructive aspect *Tourism and Citizenship* Raoul Bianchi, Marcus Stephenson, 2014-02-24 More than sixty years since the 1948 Universal Declaration of Human Rights first enshrined the right to freedom of movement in an international charter of human rights the issue of mobility and the right to tourism itself have become increasingly significant areas of scholarly interest and political debate However despite the fact that cross border travel implies certain citizenship rights as well as the material capacity to travel the manifold intersections between tourism and citizenship have not received the attention they deserve in the literature This book endeavours to fill this gap by being the first to fully examine the role of tourism in wider society through a critically informed sociological reflection on the unfolding relationships between international tourism and distinct renderings of citizenship with particular emphasis on the ideological and political alignments between the freedom of movement and the right to travel The text weaves its analysis of citizenship and travel in the context of addressing large scale societal transformations engendered by globalization neoliberalism and the geopolitical realignments between states as well as comprehending the internal reconfiguring of the relationship between citizens and states themselves By doing so it focuses on key themes including tourism and social citizenship rights race culture and minority rights states markets and the freedom of movement tourism peace and geo politics consumerism and class and ethical tourism global citizenship and cosmopolitanism The book concludes that the advancement of genuinely democratic and just forms of tourism must be commensurate with demands for distributive justice and a democratic politics of mobility encompassing all of humanity This timely and significant contribution to the sociology and politics of international tourism through the lens of citizenship is a must read for students and scholars in both in the fields of tourism and social science The royalties received from this book will be donated to the International Porter Protection Group

Food and Wine Events in Europe Alessio Cavicchi, Cristina Santini, 2014-03-26 Food and wine events have gained popularity internationally Their importance in local economic development has grown especially in Europe as they are seen as a source of income for local economic systems a way for creating new job positions and effective tools for promoting and increasing typical product awareness and demand This book for the first time illustrates the positive and negative impacts of food and wine events from a stakeholder perspective by highlighting several critical aspects such as 1 advantages and disadvantages of food and wine events 2 best practice adoption for maximising benefits flowing from event creation 3 community involvement and knowledge diffusion 4 effectiveness in promoting local products and creating consumer awareness about

products 5 factors that promote or inhibit the success or achievements of wine and food events Although the volume primarily focuses on events in Europe comparisons are made to other regions in the world Case studies are integrated throughout to illustrate the system of economic and social impacts linked to food and wine events as well as best practices to achieve effective event management and maximize expected results Written by leading academics this timely and important volume will be valuable reading for all students researchers and academics interested in Events Tourism Hospitality Gastronomy and Development Studies HCI International 2024 - Late Breaking Papers Aaron Marcus,Elizabeth Rosenzweig,Marcelo M.
