Urban Revolution Now Dr Lukasz Stanek, Dr Ákos Moravánszky, Dr Christian Schmid, 2014-11-28 This volume is the first to develop Lefebvre's concepts in social research and architecture by focusing on urban conjunctures in Bangladesh Bosnia and Herzegovina Brazil Denmark France Germany Hong Kong Hungary Mexico Poland Serbia Spain Switzerland United Kingdom and United States With contributions by historians and theorists of architecture and urbanism geographers sociologists political and cultural scientists this book reveals the multiplicity of processes of urbanization and the variety of their patterns and actors around the globe

The Urban Revolution Henri Lefebvre, 2003 Originally published in 1970 The Urban Revolution marked Henri Lefebvre's first sustained critique of urban society a work in which he pioneered the use of semiotic structuralist and poststructuralist methodologies in analyzing the development of the urban environment Although it is widely considered a foundational book in contemporary thinking about the city The Urban Revolution has never been translated into English until now This first English edition deftly translated by Robert Bononno makes available to a broad audience Lefebvre's sophisticated insights into the urban dimensions of modern life Lefebvre begins with the premise that the total urbanization of society is an inevitable process that demands of its critics new interpretive and perceptual approaches that recognize the urban as a complex field of inquiry Dismissive of cold modernist visions of the city particularly those embodied by rationalist architects and urban planners like Le Corbusier Lefebvre instead articulates the lived experiences of individual inhabitants of the city In contrast to the ideology of urbanism and its reliance on commodification and bureaucratization the capitalist logic of market and state Lefebvre conceives of an urban utopia characterized by self-determination individual creativity and authentic social relationships A brilliantly conceived and theoretically rigorous investigation into the realities and possibilities of urban space The Urban Revolution remains an essential analysis of and guide to the nature of the city

Welcome to the Urban Revolution Jeb Brugmann, 2010-04-27 The author argues that urban locations are ideal for technological economic and social innovation

Metromarxism Andrew Merrifield, 2013-04-15 Metromarxism discusses Marxism's relationship with the city from the 1850s to the present by way of biographical chapters on figures from the Marxist tradition including Marx Walter Benjamin Guy Debord and David Harvey Each chapter combines interesting biographical anecdotes with an accessible analysis of each individual's contribution to an always transforming Marxist theory of the city He suggests that the interplay between the city as center of economic and social life and its potential for progressive change generated a major corpus of work That work has been key in advancing progressive political and social transformations

New Urban Spaces Neil Brenner, 2019-05-24 In New Urban Spaces Neil Brenner proposes a radical reconceptualization of inherited approaches to urbanization Rather than focusing on cities as bounded units urbanization is conceived here as multiscalar Drawing on the methods of critical geopolitical economy especially the writings of Henri Lefebvre Brenner systematically elaborates this multiscalar conceptualization of the capitalist urban fabric in order

to investigate emergent patterns and pathways of urban restructuring **Space, Urban Politics, and Everyday Life** Tilman Schwarze, 2023-11-18 This Book develops a novel and innovative methodological framework for operationalising Henri Lefebvre's work for empirical research on the U S city Building on ethnographic research on Chicago's South Side Tilman Schwarze explores the current situation of urbanisation and urban life in the U S city through a critical reading and application of Lefebvre's writings on space everyday life the urban the state and difference Focusing on territorial stigmatisation public housing transformation and urban redevelopment this book makes an important contribution to critical urban scholarship foregrounding the relevance and applicability of Henri Lefebvre's work for geographical and sociological research on urban politics and everyday life **Everyday Life and Urban Studies** Sabine Knierbein, 2025-10-13 Everyday Life and Urban Studies revisits the ordinary routines that shape urban life during the crises ridden last century and early new millennium Vast parts of Henri Lefebvre's intellectual work on everyday life however remain underappreciated in urban studies This book seeks to re integrate Lefebvre's Critique of Everyday Life into studies of urbanization Starting in the 1920s the book realigns historical insights with contemporary urban phenomena to uncover patterns of capitalist urbanization By showing the relevance of grasping the minutiae of everyday life to understanding cities the urban and urbanization today everyday life space and philosophy are brought back in tension This work combines analytical methodological exploration pedagogic mission and theoretical advances to carve out an everyday theory based approach to urban studies situated at the interface of the spatial arts the humanities and the social sciences This book examines the transformative potential that lies hidden in everyday life thereby unravelling a way to nurture hope amid unsettled urban conditions The book is essential for students faculty and researchers in the fields of urban studies city planning urban design human geography sociology cultural studies and political science *Exploring the Production of Urban Space* Michael Edema Leary-Owhin, 2016-02-26 This important book engages critically with Lefebvre's spatial theories and challenges recent thinking about the nature of urban space Research in three iconic post industrial cities in the UK and North America explains how urban public spaces including differential space are socially produced **Havana** Susan Fitzgerald, 2022-05-01 Following the crisis of the Special Period Cuba promoted urban agriculture throughout its towns and cities to address food sovereignty and security Through the adoption of state recommended design strategies these gardens have become places of social and economic exchange throughout Cuba This book maps the lived experiences surrounding three urban farms in Havana to construct a deeper understanding about the everyday life of this city Using narratives and drawings this research uncovers these sites as places where education intimacy entrepreneurship wellbeing and culture are interwoven alongside food production Henri Lefebvre's latent work on rhythm analysis is used as a research method to capture the everyday beats particular to Havana surrounding these sites This book maps the many ways in which these spaces shift power away from the state to become places that are co created by the community to serve as a crucial hinge point between the ongoing collapse of the city and its
