**Saving the Freedom of Information Act** Margaret B. Kwoka, 2021-10-14 Enacted in 1966 The Freedom of Information Act or FOIA was designed to promote oversight of governmental activities under the notion that most users would be journalists Today however FOIA is largely used for purposes other than fostering democratic accountability Instead most requesters are either individuals seeking their own files businesses using FOIA as part of commercial enterprises or others with idiosyncratic purposes like political opposition research In this sweeping empirical study Margaret Kwoka documents how agencies have responded to the large volume of non oversight requesters by creating new processes systems and specialists which in turn has had a deleterious impact on journalists and the media To address this problem Kwoka proposes a series of structural solutions aimed at shrinking FOIA to re center its oversight purposes **Your Complete Guide to Green Card Lottery (diversity Visa)** Michael Faro, 2011-07 Every year more than 100 000 applicants are selected and receive United States Permanent Residency through the Lottery system While there are numerous other books that describe various methods of obtaining green cards or general ways of obtaining one no other book in the market currently covers this subject with as much detail Immigration Practice ,2010 **Troubling Transparency** David E.
