Used For Their Pleasure Victorian Historical Erotica English Edition:

Erotique Noire: Black Erotica ,1992 *A Curious History of Sex* Kate Lister,2020-02-06 This is not a comprehensive study of every sexual quirk kink and ritual across all cultures throughout time as that would entail writing an encyclopaedia Rather this is a drop in the ocean a paddle in the shallow end of sex history but I hope you will get pleasantly wet nonetheless The act of sex has not changed since people first worked out what went where but the ways in which society dictates how sex is culturally understood and performed have varied significantly through the ages Humans are the only creatures that stigmatise particular sexual practices and sex remains a deeply divisive issue around the world Attitudes will change and grow hopefully for the better but sex will never be free of stigma or shame unless we acknowledge where it has come from Based on the popular research project Whores of Yore and written with her distinctive humour and wit *A Curious History of Sex* draws upon Dr Kate Lister s extensive knowledge of sex history From medieval impotence tests to twentieth century testicle thefts from the erotic frescoes of Pompeii to modern day sex doll brothels Kate unashamedly roots around in the pants of history debunking myths challenging stereotypes and generally getting her hands dirty This fascinating book is peppered with surprising and informative historical slang and illustrated with eye opening toe curling and meticulously sourced images from the past You will laugh you will wince and you will wonder just how much has actually changed *At Home with Pornography* Jane Juffer,1998 Juffer demonstrates how women s consumption of erotica and porn for their own pleasure can be empowering while simultaneously reinforcing conservative ideals She shows for instance how the Victoria s Secret catalog functions as a kind of pornography whose popularity is enhanced by both its reliance on Victorian themes of secrecy and privacy and by its appeals to the pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the degrees to which these materials have been domesticated for home consumption

Slumming Seth Koven,2006-07-24 In the 1880s fashionable Londoners left their elegant homes and clubs in Mayfair and Belgravia and crowded into omnibuses bound for midnight tours of the slums of East London A new word burst into popular usage to describe these descents into the precincts of poverty to see how the poor lived slumming In this captivating book Seth Koven paints a vivid portrait of the practitioners of slumming and their world who they were why they went what they claimed to have found how it changed them and how slumming in turn powerfully shaped both Victorian and twentieth century understandings of poverty and social welfare gender relations and sexuality The slums of late Victorian London became synonymous with all that was wrong with industrial capitalist society But for philanthropic men and women eager to free themselves from the starched conventions of bourgeois respectability and domesticity slums were also places of personal liberation and experimentation Slumming allowed them to act on their irresistible attraction of repulsion for the poor and permitted them with society s approval to get dirty and express their own dirty desires for intimacy with slum dwellers and

sometimes with one another Slumming elucidates the histories of a wide range of preoccupations about poverty and urban life altruism and sexuality that remain central in Anglo American culture including the ethics of undercover investigative reporting the connections between cross class sympathy and same sex desire and the intermingling of the wish to rescue the poor with the impulse to eroticize and sexually exploit them By revealing the extent to which politics and erotics social and sexual categories overflowed their boundaries and transformed one another Koven recaptures the ethical dilemmas that men and women confronted and continue to confront in trying to love thy neighbor as thyself **A Hypersexual Society** K. Kammeyer, 2008-11-10 As many can attest the prevalence of sexual imagery has increased in modern society over the past half century In this timely new study Kenneth Kammeyer traces the historical development of sexual imagery in America and society's preoccupation with it all within a firm theoretical and sociological framework Knowing Their Place Lucy Delap, 2011-06-16 Knowing Their Place offers a fascinating look at the relationships of antagonism and friendship disgust and desire that marked domestic service in twentieth century Britain *The Flash Press* Patricia Cline Cohen, Timothy J. Gilfoyle, Helen Lefkowitz Horowitz, American Antiquarian Society, 2008-09-15 Obscene libidinous loathsome lascivious Those were just some of the ways critics described the nineteenth century weeklies that covered and publicized New York City's extensive sexual underworld Publications like the Flash and the Whip distinguished by a captivating brew of lowbrow humor and titillating gossip about prostitutes theater denizens and sporting events were not the sort generally bound in leather for future reference and despite their popularity with an enthusiastic readership they quickly receded into almost complete obscurity Recently though two sizable collections of these papers have resurfaced and in *The Flash Press* three renowned scholars provide a landmark study of their significance as well as a wide selection of their ribald articles and illustrations Including short tales of urban life editorials on prostitution and moralizing rants against homosexuality these selections epitomize a distinct form of urban journalism Here in addition to providing a thorough overview of this colorful reportage its editors and its audience the authors examine nineteenth century ideas of sexuality and freedom that mixed Tom Paine's republicanism with elements of the Marquis de Sade's sexual ideology They also trace the evolution of censorship and obscenity law showing how a string of legal battles ultimately led to the demise of the flash papers editors were hauled into court sentenced to jail for criminal obscenity and libel and eventually pushed out of business But not before they forever changed the debate over public sexuality and freedom of expression in America's most important city *Men in Love* Vittorio Lingiardi, 2002 From the rape of Ganymede to Michelangelo's loves from the relationship of Batman and Robin to the letters between Freud and Jung this voyage speaks eloquently about the complex relationships between men *The Erotic in Literature* David Loth, 1994 **Mighty Lewd Books** J. Peakman, 2003-06-24 **Mighty Lewd Books** describes the emergence of a new home grown English pornography Through the examination of over 500 pieces of British erotica this book looks at sex as seen in erotic culture religion and medicine throughout the long eighteenth century and provides a radical new

approach to the study of sexuality **Journey Into Sexuality** Ira L. Reiss, 1986 This is the first societal level explanation of human sexuality that develops a cross cultural explanation of all major types of sexuality The reader will gain perspective on American sexual customs by becoming aware of areas of similarities and differences with other societies The emphasis is upon a new way of understanding sexuality Key areas of present day concern are central to the development of this explanation Accordingly sexual jealousy gender differences in power notion of sexual abnormality homosexuality and erotica are discussed at length There are all integrated into the final societal level explanation No assumptions are made regarding the depth of professional background of the reader Dust jacket flap Saturday Review ,1966 **Artbibliographies Modern** ,1998 **The New York Times Book Review** ,1994-04 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **AB Bookman's Weekly** ,1992 *Sexual Interactions* Albert Richard Allgeier, Elizabeth R.
