Women of Color in STEM Julia Ballenger,Barbara Polnick,Beverly Irby,2016-12-01 Women of Color in STEM Navigating the Workforce is an opportunity for making public the life stories of women of color who have persevered in STEM workplace settings The authors used various critical theories to situate and make visible the lives of women of color in such disciplines and workplace contexts like mathematics science engineering NASA academia government agencies and others They skillfully centered women and their experiences at the intersection of their identity dimensions of race class gender and their respective discipline While the disciplines and career contexts vary the oppression alienation and social

inequities were common realities for all. Despite the challenges the women were resilient and persevered with tenacity, a strong sense of self as a person of color, and reliance on family, community, mentors, and spirituality. While we celebrated the successes, it is critical that organizational leaders, whether in education or other workplace settings, draw from narratives and counter narratives of these women to improve the organizational climate where individuals can thrive despite their racial, class, and gender identity. This book will assist educational communities, professional communities, and families to understand their roles and responsibilities in increasing the number of women of color in STEM. **All Means All** Heather Friziellie, Julie A. Schmidt, Jeanne Spiller, 2025-05-14

All students are general education students first. A principle the authors champion in this companion guide to their best-selling book *Yes We Can They* offer practical strategies for educators to implement this inclusive philosophy through collaborative teams and shared ownership of student learning. The book provides a framework for standards-based instruction, tailored instruction, progress monitoring, and targeted interventions, ultimately promoting equitable learning opportunities for all students. K-12 teachers and leaders can use this book to enhance the quality of special education learning and instruction through PLC practices. Build collaborative communities of professionals across general and special education. Define actionable steps to create equitable learning experiences for all students. Align all instruction, assessment, and grading with mutual learning goals and standards. Ensure all special education students achieve the same learning standards as their peers. Contents: Introduction, Part 1: Learning *Yes We Can*, Chapter 1: Reexamining the Past, Present, and Future, Part 2: Living *Yes We Can*, Chapter 2: Aligning Beliefs and Behaviors to Live *All Means All*, Chapter 3: Collaboration by All for All, Chapter 4: Standards Focused Planning, Instruction, Assessment, and Grading for All, Chapter 5: Tailoring Instruction, Chapter 6: Responding When Students Haven't Yet Learned, Part 3: Leading *Yes We Can*, Chapter 7: Believe Is a Verb, Chapter 8: Leading the Way, References and Resources, Index. **Restorative Assessment** Laura M. Greenstein, 2017-09-07

Encourage achievement with assessments that promote growth for every student. Imagine a classroom where students can't wait to take tests. A dream, maybe. But when you make restorative assessment part of your classroom culture, your students are more likely to feel safe, ready for challenges, and eager to showcase their knowledge whenever they have the chance. Unlike ordinary testing, restorative assessments offer students multiple ways to demonstrate their learning, promoting equity and reducing conflict in the classroom. Since assessments happen regularly, you have more opportunities to check student progress and tailor your teaching accordingly. In this guide, you'll find real-world examples of restorative assessment in practice, cutting-edge research on personalized learning and assessment, practical strategies for implementation, action points, and reflection questions. In today's diverse classrooms, one-size-fits-all learning is a thing of the past. Empower your teaching and your students by mastering restorative assessment and helping every student grow. *Restorative Assessment* provides excellent information and training for teachers and an in-depth understanding of students of today. The practices recommended in this book will transform schools and create challenging, healthy learning environments.
