Venomous Christopher Krovatin:

Venomous Christopher Krovatin, 2008-11-01 Locke Vinetti is a high school junior disenchanted and more than a little hostile. In fact for years he's had a lousy social life because of a problem he has with his anger, a force he calls the venom. Ever since he was eight years old and bit off a piece of a classmate's nose, he's been something of a loner. But all that is about to change when he goes out with his one friend Randall to meet some of Randall's crew hanging out at Riverside Park. Because in addition to meeting his kindred spirit Casey who has his own problems with his own kind of venom, Locke meets the spikey blue fairy haircut Goth girl of his dreams. And if their relationship is going to work, he knows he has to rid himself of the venom once and for all. Interspersed with comic book adventures of the fantasy anti-hero alter ego Locke has invented for himself, **VENOMOUS** is a fast-paced, funny, and ferocious read about one teenage boy's struggle with his inner demons.

Radical Reads 2 Joni Richards Bodart, 2009-11-25 In *Radical Reads*, Joni Richards Bodart identified 101 young adult books that featured gritty, complex plots focused on multidimensional characters and tackled such difficult subjects as teenage pregnancy, dysfunctional families, gangs, prejudice, violence, drugs, or other provocative issues. Teen readers were drawn to such books because they could identify with both the characters and the situations depicted in these raw and edgy works of fiction. In *Radical Reads 2: Working with the Newest Edgy Titles for Teens*, Bodart continues where the first book left off, examining more than a hundred titles published since the previous edition. The books featured here are engaging and tough, yet well-written and accessible to readers. For each novel, Bodart lists the main characters, major themes, and subject areas and offers a brief summary. Along with providing book report ideas, she cites the strengths of each work, excerpts important reviews, and lists any awards the book has received. Indexed by author, title, subject, curriculum area, reading level, interest level, and genre, *Radical Reads 2* is an indispensable tool for librarians, teachers, and parents alike and will appeal especially to teens looking for relevant and topical fiction.

Frequency Christopher Krovatin, 2018-10-02 Nine years ago Fiona was just a kid. But everything changed the night the Pit Viper came to town. Sure, he rid the quiet idyllic suburb of Hamm of its darkest problems. But Fiona witnessed something much, much worse from Hamm's adults when they drove him away. And now the Pit Viper is back. Fiona's not just a kid anymore. She can handle the darkness she sees in the Pit Viper, a DJ whose wicked tattoos, quiet anger, and hypnotic music seem to speak to every teen in town except her. She can handle watching as each of her friends seems to be overcome, nearly possessed by the music. She can even handle her unnerving suspicion that the DJ is hell-bent on revenge. But she's not sure she can handle falling in love with him.
