

A brown leather suitcase is shown open, lying flat. Inside the suitcase, there is a small, square, sepia-toned photograph of a man with a mustache, wearing a dark suit and a white shirt. Next to the photograph are several sheets of paper, some of which appear to be old documents or letters. The background is a textured, yellowish-gold surface.

Vern Of Ages Eternal Vern 2:

The Best of J. Vernon McGee J. Vernon McGee, 2006-10-29 A collection of some of Dr J Vernon McGee s finest messages gleaned from over 40 years of radio broadcasting A rich feast of Bible centered messages to feed the soul *Vernon Lee* Vineta Colby, 2003-04-29 Vernon Lee born Violet Paget in 1856 to English parents who lived on the Continent bridged two worlds and many cultures She was a Victorian by birth but lived into the second quarter of the twentieth century Her chosen home was Italy but she spent part of every year in England where she published over the years an impressive number of books novels short stories travel essays studies of Italian art and music psychological aesthetics polemics She was widely recognized as a woman of letters and moved freely in major literary and social circles meeting and at times having close friendships with a huge number of the major writers and intellectuals of her time among them Robert Browning Walter Pater Henry James H G Wells Bertrand Russell Bernard Berenson and Mario Praz Although she never committed herself to one program of political activism she was an advocate for feminism and social reform and during World War I was an ardent pacifist In her last years she watched with dismay the emergence of fascism *Vernon Lee A Literary Biography* recovers this crowded and intellectually eventful life from her previously unpublished letters and journals as well as from her books themselves Vineta Colby also explores Lee s troubled personal life from her childhood in an eccentric expatriate family to her several unhappy love affairs with women to her frank recognition that her work brilliant as some of it was remained unappreciated Through it all Vernon Lee clung to her faith in the life of the mind and through Colby s engaging biographical narrative she emerges today as a writer worthy of renewed attention and admiration *Victorian Literature and Culture Series*

Art and the Transitional Object in Vernon Lee's Supernatural Tales Patricia Pulham, 2017-03-02 In her persuasively argued study Patricia Pulham astutely combines psychoanalytic theory with socio historical criticism to examine a selection of fantastic tales by the female aesthete and intellectual Vernon Lee Violet Paget 1856 1935 Lee s own definition of the supernatural in the preface to *Hauntings* questions the nature of the genuine ghost and argues that this figure is not found in the Society of Psychological Research but in our own psyches where it functions as a mediator between past and present Using D W Winnicott s transitional object theory which maintains that adults transfer their childhood engagement with toys to art and cultural artifacts Pulham argues that the prevalence of the past in Lee s tales signifies not only an historical but a psychic past Thus the ghosts that haunt Lee s supernatural fiction as well as her aesthetic psychological and historical writings held complex meanings for her that were fundamental to her intellectual development and allowed her to explore alternative identities that permit the expression of transgressive sexualities [Essay on Forgiveness ... from the sermons of the Rev. P. Vernon](#) Paul VERNON, 1841 [Selected Letters of Vernon Lee, 1856 - 1935](#) Amanda Gagel, 2016-10-26 Vernon Lee was the pen name of Violet Paget 1856 1935 a prolific author best known for her supernatural fiction her support of the Aesthetic Movement and her radical polemics She was also an active letter writer whose correspondents include many well

known figures in fin de siècle intellectual circles across Europe. However, until now, no attempt has been made to make these letters widely available in their complete form. This multi-volume scholarly edition presents a comprehensive selection of her English, French, Italian, and German correspondence compiled from more than 30 archives worldwide that reflect her wide variety of interests and occupations as a Woman of Letters and contributor to scholarship and political activism. Letters written in a language other than English have been expertly translated by scholars Sophie Geoffroy from the French Crystal Hall from the Italian and Christa Zorn from the German. The edition focuses on those letters concerning the writing ideas and aesthetics that influenced Lee's articles, books, and stories. Full transcriptions of some 500 letters covering the years 1856–1935 are arranged in chronological order along with a newly written introduction that explains their context and identifies the recipients, friends, and colleagues mentioned. Since scholarship on Lee's critical and creative output is still in the beginning stages, these letters will serve a purpose to students and researchers in a number of academic fields. In this first volume tracing the years 1856–1884, the assembled letters cover the beginnings of her career, encompassing her first publication, visits to London, and encounters with some of the important artistic figures of the time. As her career begins to blossom, the letters also reflect the expansion of her subject matter from cultural studies and art history to novels and aesthetic philosophy. Correspondents include Lee's parents, Matilda and Henry Paget; her brother, the poet Eugene Lee Hamilton; English poet Mary Robinson; English authors Henrietta Jenkin and Linda Villari; and Italian writers Enrico Nencioni, Mario Pratesi, and Angelo De Gubernatis, among others.
