[Scuba Confidential](#) Simon Pridmore,2020-08-03 Scuba Confidential is a unique book packed full of valuable tips and expert advice giving you unprecedented access to the secrets of dive professionals and technical divers With Scuba Confidential you will learn how to master skills and techniques that will make you a more confident capable and safe diver It offers an informed balanced view

on some of scuba diving's most contentious issues like going solo deep diving and rebreathers and includes a comprehensive analysis of how diving accidents happen and how to make sure you do not become a statistic. Scuba Confidential also gives you valuable insights on a vast range of topics such as what it is like to do a cave diving course, how to make sure you buy the right equipment, what to consider when choosing an instructor, things even the pros get wrong, and where to find the best diving in the world. This is candid, no-nonsense, practical advice from a professional who has been involved over the last three decades with virtually every aspect of the sport. Have you ever wondered: How to look as comfortable in the water as the professionals do? What it is like to dive inside shipwrecks? Which training courses are most worthwhile? If you would make a good technical diver? If you should be considering a rebreather? How you can improve your diving skills? How you can reduce your air consumption? Why diving accidents happen and how to prevent them? Whether you might sometimes actually be safer solo diving? How to dive deep safely? Or how much diving can possibly be any fun? Scuba Confidential has the answers to these questions and many more. *PADI Rescue Diver Manual*, 1984

Open Water Diver Amanda Symonds, 2022-08-04 If you are planning to take your Open Water Diver course in a few weeks, then you need a study guide that will help you prepare for the final test with practise questions. We include things to know before you take the test, tips from an experienced instructor, tricks for taking the exam, Recreational Dive Planner information, and 57 practise questions. During the test, you need to answer questions about the basic principles of scuba diving, which shows that you know how to plan dives, choose the right scuba gear, and understand underwater signals and diving procedures. This book is written by an experienced instructor to help you make sure you are adequately prepared and ready. It was updated in 2022 to include Covid-related questions.
