Kouzes,Barry Z. Posner,2009-10-08 Derived from the classic leadership book The Leadership Challenge Fourth Edition this is a concise focused primer on the Five Practices of Exemplary Leadership for students Grounded in the same extensive research as the best selling The Leadership Challenge this book uses examples and language to which students in higher education can relate It also features reflective and critical thinking activities at the end of each chapter to help students engage in each of the Five Practices Can be used with all levels from incoming first year students to outgoing grads and young professionals Examples from both on campus and off campus venues with particular emphasis on service learning and effects of leadership in the surrounding community Provides helpful and useful background on the instrument Student LPI The audio version of this book is available through your favorite online retailer **Young Adult and Canonical Literature** Paula Greathouse,Victor Malo-Juvera,2021-03-10 In the last decade alone the world has changed in seismic ways as marriage equality has been ruled on by the supreme court social justice issues such as metoo and BlackLivesMatter have arisen and issues of immigration and deportation have come to the forefront of politics across the globe Thus there is a need for an updated text that shares strategies for combining canonical and young adult literature that reflects the changes society has and continues to experience The purpose of our collection is to offer secondary 6 12 teachers engaging ideas and approaches for pairing young adult and canonical novels to provide unique examinations of topics that teaching either text in isolation

could not afford Our collection does not center canonical texts and most chapters show how both texts complement each other rather than the young adult text being only an extension of the canonical Within each volume the chapters are organized chronologically according to the publication date of the canonical text The pairings offered in this collection allow for comparisons in some cases for extensions in others and for critique in all

Pedagogies for Equitable Access Lourdes Cardozo-Gaibisso, Ruth Harman, Max Vazquez Dominguez, Cory Buxton, 2024-07-01

During the COVID 19 pandemic public health recommendations for physical distancing created an urgent need for new and remixed online and distance ways of preparing teaching and assessing learning practices This new context forced teacher educators administrators and public policymakers around the globe to rethink reshape and redesign curriculum instruction and assessment practices and modalities While online education has been an option available to many for decades no other moment in recent history has demanded such a rapid shift in educational practices impacting tens of millions of teachers and hundreds of millions of students worldwide Fortunately in some cases highly innovative advances in technological resources have supported educators in designing and implementing transformative approaches In the field of language education educators have had to reconceptualize online instruction so that digital and other multimodal resources are designed to fully engage multilingual students in optimal and equitable learning contexts This edited book serves the purpose of focusing the research agendas of K 12 educators teacher educators and policymakers on the lessons and insights the field can gain from this crisis as we adapt to the post pandemic future of language education As argued over the past three years the pandemic has exposed multiple structural issues related to accessibility inequity and poverty ubiquitous issues that have existed in our societies for decades It has also drawn attention to the notion of competing priorities challenging our ability to determine what can and cannot be done in terms of human financial and logistical capacity around the globe With this focus in mind the aim of this edited book is to provide readers with robust and systematic thinking about the multifaceted strengths and challenges that have emerged during and after the COVID 19 pandemic Specifically informed by a critical perspective on societal power dynamics and equity this edited book explores the following interconnected topics in multilingual multicultural settings i instructional strategies and curriculum adaptations ii in service and pre service teacher education practices iii classroom based pedagogical innovations and assessment
