The Technocratic Antarctic Jessica O'Reilly,2017-01-17 The Technocratic Antarctic is an ethnographic account of the scientists and policymakers who work on Antarctica In a place with no indigenous people Antarctic scientists and policymakers use expertise as their primary model of governance Scientific research and policymaking are practices that inform each other and the Antarctic environment with its striking beauty dramatic human and animal lives and specter of global climate change not only informs science and policy but also lends Antarctic environmentalism a particularly technocratic patina Jessica O Reilly conducted most of her research for this book in New Zealand home of the Antarctic Gateway city of Christchurch and

on an expedition to Windless Bight Antarctica with the New Zealand Antarctic Program O Reilly also follows the journeys Antarctic scientists and policymakers take to temporarily Antarctic places such as science conferences policy workshops and the international Antarctic Treaty meetings in Scotland Australia and India Competing claims of nationalism scientific disciplines field experiences and personal relationships among Antarctic environmental managers disrupt the idea of a utopian epistemic community O Reilly focuses on what emerges in Antarctica among the complicated and hybrid forms of science sociality politics and national membership found there The Technocratic Antarctic unfolds the historical political and moral contexts that shape experiences of and decisions about the Antarctic environment

Public Administration in Europe Edoardo Ongaro, 2018-08-17 This book considers the ways in which public administration PA has been studied in Europe over the last forty years and examines in particular the contribution of EGPA the European Group for Public Administration both to the growth of a truly pan European PA and to the future of PA in Europe The book provides a lively reflection on the state of the art of PA both over the past forty years and over the next forty years It reflects on the consolidation and institutionalisation of EGPA as the European community for the study of PA in Europe and demonstrates the need for such a regional group for PA in Europe as well as for regional groups for the study of PA in other parts of the world The book also demonstrates the functional cultural and institutional reasons that underpin the significance of a regional group for researching and studying PA at an intermediate level of governance between the national and the global levels The book provides rich insights about the state of the art of PA in Europe from the leading public administration scholars
