The Road to Redemption Robert R. Malkas, 2023-12-20 About the Book *The Road to Redemption* is a revisionist history of what writers have been doing to revise the teaching of American history for generations The book presents an alternate approach that takes readers back to a time when the nation was more united and schools prepared students to become victors instead of victims by presenting to them how America evolved into what now is the most powerful country in the world It draws attention to those who are dedicated to destroy advancing man s natural instincts to assimilate and allow all people to live useful lives The intention of RTR is to open minds by providing unbiased accounts of what has happened to man s universal search for meaning and the obstacles that had to be overcome when those in power used their position to serve personal needs and the methods taken to achieve them It can be looked at as a classroom where the next generation will be prepared to accept their opportunities to live fruitful lives and position them to be free thinkers If parents believe schools are not serving the needs of children they should become a more proactive part in the process *The Road to Redemption* provides a blue print for them to take back control of their children s future About the Author The author s professional career became at an early age when he decided that teaching history would become his future He realized it would not be easy coming from a blue collar family where funds were scarce The solution was attending and graduating from an Illinois junior college then commuting from the south side of Chicago to DePaul University each day to earn a B A in history and political science and later a M A from the same institution He became a teacher at Mother of Sorrows High School and was on its faculty for 17 years teaching History and English Ten of those years he served as Assistant Principal and held that position until MOS was forced to close because it could not compete with government funded public schools He next turned his attention to aviation and became manager of the Lansing Municipal Airport and served in that position for the next 23 years until 2008 After his retirement he turned to writing about topics he was proficient in *The Village of Lansing and its Airport Past Present Future* has been published recently He has written over 40 articles for the Lansing Journal newspaper on topics of community interest Those can be found if you Google Bob v

High School Memoirs: a Journey in Surrealism Sean C. Cusack, 2007-11-14 Synopsis *High School Memoirs A Journey in Surrealism* is a tear jerking hilarious ride for a less than ordinary High School student who battles bullies and

librarians to become King of the Classroom Set in a small Catholic High School on the north side of Chicago author Sean Cusack takes us on a surrealistic journey through four fun filled years of triumph and tragedy in this unique epic The journey begins with Sean Cusack entering St Bernadin High School in August of 1995 as a very young and innocent Freshman student He focuses on several life changing experiences in his infant days of High School that change him forever Innocence Lost traces the steps Sean Cusack took that ultimately lead him on a path toward frequent battles with students and the school faculty and Administration As a Sophomore The Ride most certainly takes us on a ride through fights vandalism and verbal debacles that continued to steer the vengeful ship that Sean Cusack had been building since a Freshman He now had become the ships Captain as it set sail The Ride takes us through many strange and mysterious encounters that add more of a surrealist element to this budding melodrama and comedic satire Sean Cusacks roses bud Junior Year in Forever Remembered when he becomes a charismatic hero and leader of a rebellious group of students that pillage and plunder the school and faculty in wild and zany antics Forever Remembered embodies the humorous and more imaginative side of Sean Cusack as the journey through High School becomes more surreal Senior Year wraps up the trials and tribulations that Sean Cusack had endured thus far in his High School experience culminating into one person after years of battling the Defunct Administration He is molded by evil as the rebellious youth becomes totally hellbent on crippling the school In the end he loses friends respect from teachers but most of all he loses faith in his cause yet ends his High School experience with a fantastical and triumphant bow Sean Cusack proves that not all High School stories are the same in this turbulent and chaotic autobiography High School Memoirs A Journey in Surrealism chronicles a strange and unique history that is truly a step above the rest
