The Shadow of the Wall Jeremy Slack, Daniel E. Martínez, Scott Whiteford, 2018-04-24 Mass deportation is at the forefront of political discourse in the United States The

Shadow of the Wall shows in tangible ways the migration experiences of hundreds of people including their encounters with U S Border Patrol cartels detention facilities and the deportation process Deportees reveal in their heartwrenching stories the power of family separation and reunification and the cost of criminalization and they call into question assumptions about human rights and federal policies The authors analyze data from the Migrant Border Crossing Study MBSC a mixed methods binational research project that offers socially relevant rigorous social science about migration immigration enforcement and violence on the border Using information gathered from more than 1 600 post deportation surveys this volume examines the different faces of violence and migration along the Arizona Sonora border and shows that deportees are highly connected to the United States and will stop at nothing to return to their families The Shadow of the Wall underscores the unintended social consequences of increased border enforcement immigrant criminalization and deportation along the U S Mexico border Contributors Howard Campbell Josiah Heyman Alison Elizabeth Lee Daniel E Mart nez Ricardo Mart nez Schuldt Emily Peiffer Jeremy Slack Prescott L Vandervoet Matthew Ward Scott Whiteford Murphy Woodhouse

Reflections and Observations on Mark Twain's "The Gilded Age: A Tale of Today" Fritz Dufour,2021-02-27 The Gilded Age a Tale of Today is a depiction of those crimes committed in the United States in the late 19th Century which so frequently went unpunished and of the casualties which ought to be called crimes The description severely winds up with the satirical verdict No one to blame The project of Colonel Sellers for raising mules for the Southern markets is a satire upon the fraudulency and soap bubble speculation of capitalists The work is full of hints and descriptions that take their rise from the frauds and outrages under which the country had plagued for so many years Family social and national questions are all cleverly satirized The monument erected to the memory of the Father of his country a monument begun but of course never completed calls forth some strokes of bitter but not unjust humor The means by which preferment is obtained in Washington are amply satirized There are two views of this book favorable and unfavorable This essay considers both For instance while some critics think that it is incoherent others suggests that the narrative departs from the traditional methods of concluding and is thereby more natural than most novels because every chapter of the book bears the marks of both writers and is therefore a novelty in its way In this essay I argue that The Gilded Age is essentially a satire and should always be accepted as such Of course other good contemporary books did not make it to our time in terms of popularity and legacy The Gilded Age did We talk write and read about it to this day Evidently it is an integral part of the annals of American literature and fully contributes to Mark Twain s reputation legacy and lasting influence

A Case Manager's Study Guide Skinner,Stefany H Almaden,2018-03-20 Preceded by A case manager s study guide Denise Fattorusso

Campion Quin 4th ed c2013 Red Dynamite Carl R. Weinberg, 2021-10-15 In Red Dynamite Carl R Weinberg argues that creationism's tenacious hold on American public life depended on culture war politics inextricably embedded in religion. Many Christian conservatives were convinced that evolutionary thought promoted immoral and even bestial social sexual and political behavior. The fruits of subscribing to Darwinism were in their minds a dangerous rearrangement of God-given standards and the unsettling of traditional hierarchies of power. Despite claiming to focus exclusively on science and religion, creationists were practicing politics. Their anticommunist campaign, often infused with conspiracy theory, gained power from the fact that the Marxist founders, the early Bolshevik leaders, and their American allies were staunch evolutionists. Using the Scopes Monkey Trial as a starting point, Red Dynamite traces the politically explosive union of Darwinism and communism over the next century. Across those years, social evolution was the primary target of creationists, and their ideas have consequences. Strategy instilled fear that shaped the contours of America's culture wars. By taking the anticommunist arguments of creationists seriously, Weinberg reveals a neglected dimension of antievolutionism and illuminates a source of the creationist movement's continuing strength. Thanks to generous funding from Indiana University and its participation in TOME: Toward an Open Monograph Ecosystem, the ebook editions of this book are available as Open Access volumes from Cornell Open, cornellpress.cornell.edu/cornell-open, and other repositories.
