Grand Strategies of the Left Van Jackson, 2023-11-02 Why are progressives often critical of US foreign policy and the national security state What would a statecraft that pulls ideas from the American left look like Grand Strategies of the Left brings the progressive worldview into conversation with security studies and foreign policy practice It argues that American progressives think durable security will only come by prioritizing the interconnected conditions of peace democracy and equality By conceiving of grand strategy as worldmaking progressives see multiple ways of using foreign policy to make a more just and stable world US statecraft including defense policy should be retooled not for primacy endless power accumulation or a political status quo that privileges elites but rather to shape the context that gives rise to perpetual insecurity Progressive worldmaking has its own risks and dilemmas but expands how we imagine what the world is and could be

Europe: Continent of Conspiracies Andreas Önnarfors, André Krouwel, 2021-04-29 This edited volume investigates for the first time the impact of conspiracy theories upon the understanding of Europe as a geopolitical entity as well as an imagined political and cultural space Focusing on recent developments the individual chapters explore a range of conspiratorial positions related to Europe In the current climate of fear and threat new and old imaginaries of conspiracies such as Islamophobia and anti-Semitism have been mobilised A dystopian or even apocalyptic image of Europe in terminal decline is evoked in Eastern European and particularly by Russian pro Kremlin media while the EU emerges as a screen upon which several narratives of conspiracy are projected trans nationally ranging from the Greek debt crisis to migration Brexit and the COVID 19 pandemic The methodological perspectives applied in this volume range from qualitative discourse and media analysis to quantitative social psychological approaches and there are a number of national and transnational case studies This book will be of great interest to students and researchers of extremism conspiracy theories and European politics

Genocide and Fascism Aristotle Kallis, 2008-09-25 This book investigates how fascism as an ideology and political praxis reconfigured the ideological political and moral landscape of interwar Europe generating an atmosphere of extreme license that facilitated the leap into eliminationist violence It demonstrates how fascist ideology linked the prospect of violent cleansing to utopias of national racial regeneration thus encouraging and legitimizing targeted hatred against particular others It also shows how the diffusion and internationalization of fascism in the 1930s produced a sense of a revolutionary new beginning and created a transnational fascist new order in which Nazi Germany came to occupy a potent position of authority The book analyzes how the eliminationist initiative and precedent of Nazi Germany became a second license that empowered fascist regimes across Europe to embark on their own eliminationist projects with diminished accountability Finally it examines how this license enhanced by the actions of fascists and the collapse of order caused by World War Two released individuals and communities from the burden of legal and moral accountability turning them into accomplices in the most wide brutal and devastating genocidal campaign that the continent had ever experienced My

The Philosophy of Dare: Are You One of the Daring Ones? Dave Sinclair, 2023-02-19 The Philosophy of Dare the Daring Philosophy is all about being willing to take risks to rise to challenges to leave behind comfort zones and safe spaces and seek out storms and wildernesses and mountaintops and all extreme daring environments One must always escape mediocrity and wherever the mediocre congregate Mediocrity is the original

sin The mediocre are the opposite of the daring Danton said We must dare and dare again and go on daring Machiavelli said Never was anything great achieved without danger Andre Gide said Man cannot discover new oceans unless he has the courage to lose sight of the shore The daring don't stand around They're active proactive the people doing things making things happen shaking things up They're not the reactive masses those that love to sit and wait for Godot Godot isn't coming Haven't you heard William Makepeace Thackeray said Let the man who has to make his fortune in life remember this maxim Attacking is his only secret Dare and the world always yields or if it beats you sometimes dare again and it will succumb The attackers always have the initiative The world reacts to them The daring decide the agenda They force the issue They are the organ grinders Everyone else dances to the tune of the daring ones Who Dares Wins is the motto of the Special Air Service Britain's elite special forces unit Theodore Roosevelt said Far better is it to dare mighty things to win glorious triumphs even though checkered by failure than to take rank with those poor spirits who neither enjoy much nor suffer much because they live in the grey twilight that knows neither victory nor defeat The mediocrities avoid conflict They duck out They bale out They opt out They don't want to exert themselves Too much effort Are you afraid of losing it all Then you are not one of the daring Goethe said Rest not Life is sweeping by go and dare before you die Something mighty and sublime leave behind to conquer time The daring are absolutely committed to leaving behind the mighty and sublime They are the only ones who conquer time They are the immortals The great French revolutionary Saint Just said Dare this word contains all the politics of our revolution Will you risk it all Do you dare Trigger Warning for those of a sensitive disposition This content contains heavy satire irony sarcasm and black comedy Keep your wits about you *AP European History Premium* Seth A.

Berube,2020-05-01 This book examines American societal structures and institutions beginning and ending with public education and exposes how dysfunction and the investment in this dysfunction is an actual political agenda The Investments focuses on the capitalization privatization and dismantling of public education and how other social systems such as for profit prisons healthcare or the lack thereof racism and current immigration issues the investment in criminalizing people called the other and the military industrial complex are all co dependent and symbiotic At the Nexus of it all is American public education An educated population threatens the status quo so the pipeline between public education and other social institutions is real Each has a toxic connection and reliance to each other Each chapter will delve into the rigging that takes place to purposefully attempt to cripple public education and consciously create a permanent underclass usually without the knowledge of the general

public and the egos identities and sinister political forces behind such manipulation Education is the hub of this book because public education is the best vehicle for democracy America has ever known and therefore unbeknownst to many Americans in the crosshairs There is a vast conspiracy for power and control going on in our country and many Americans are ignorant of the conspiracy This book pulls back the curtain on the investment some in power have made in their efforts to create a permanent underclass in American society

Ethics, Society and Politics: Themes from the Philosophy of Peter Winch
Michael Campbell, Lynette Reid, 2020-06-17

This volume is a reappraisal of the work of Peter Guy Winch 1926 1997 one of the most important philosophers of the 20th Century Winch faded into relative obscurity compared to his contemporaries due to a mistaken belief that there are no systematic connections between the different aspects of his work This volume corrects that presupposition and reintroduces Winch's work to a new generation of scholars By showing how ethical political and social issues are interrelated in Winch's work and by making clear the connections between these issues and themes in metaphysics and the philosophy of mind the volume demonstrates both the breadth and the unity of Winch's approach It discusses topics such as ethics political philosophy social science the philosophy of action the philosophy of mind metaphysics and the philosophy of language Despite this apparent variety of topics the contributors to the volume share Winch's conviction that the different areas of philosophy are interdependent As a result the volume as a whole shows unity in diversity and provides an example of a manner of philosophising in which different approaches and sub disciplines are placed in dialogue with each other Peter Guy Winch is most famous for his early work on the philosophy of the social sciences His *On the Idea of a Social Science and its Relation to Philosophy* ISS generated controversy within both philosophical and social scientific circles In that work and subsequent publications Winch argued against the presupposition that social relations could be understood using the conceptual tools of the natural sciences Winch would later describe ISS as a young man's book and would come to regret the reputation it garnered him a mixture of roughly equal degrees fame and infamy Alongside his work on the philosophy of social sciences Winch was an interpreter and exegete of Wittgenstein He also published a ground breaking study of the philosophy of Simone Weil entitled *Simone Weil The Just Balance* Winch also published numerous essays on issues in ethics political philosophy and the philosophy of religion and at his death was working on a book manuscript on the problem of political authority

Venn Diagram On Fascism And Nazism: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. Venn Diagram On Fascism And Nazism : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Venn Diagram On Fascism And Nazism : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Popen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
