Rina L. Williams,2010-03-18 This book is about my life as a woman who wanted to have a good man but could not find one on my own I am a single mother with four children who had a horrible past that infected my thinking pattern towards men in general Some folks with this type of insecurity go and see therapist but decide to consult God about this issue In result of finding God I found the truth why many of women are single and the main reason is that we hold on to a lot of hurt that mess with our mind and thinking When I began to contact God for myself when I was out the sight of church my family and friends I was faced alone in the mirror with myself And as I confront issue that was pulled up by seeking God it showed me the true answer to what I and many women ask God What happen to the good men is a book about my life that will inspire some and encourage other but important give you courage to face you I also show the importance of why having a relationship with God for yourself is necessary And in the end you will see that God s yoke is easy and burden is light When I tried to find a good man on my own I was picking the wrong one because of me not the men But when I finally decide to detach myself from my own issues and come outside myself I got free and love found me The Way of Good Men for Wise Men to Walk In. Solomon,2013-10-07 We have seven sisters looking for good men and it will lead them to Washington DC and there they find some good men but they have issues to deal with not to mention some problems that the sisters will not tolerate at all They will need to pass a test from their Uncle who has the family business under his authority and will not let just any one come into the family They have issues and problems their uncle sees that they are crazy about these boys and they might even be in love with these boys but some of them have baggage and he decides to help them with their problems and their habits for his nieces sakes He finds the lady of his dreams during the process and so does his sons The men from Washington DC have taken on a contract for the company and in one year they will get the contract or lose it either way the Uncle s will be a winner The guys show their talents but will they get the contract and the girls they have fallen madly in love with and changed their ways too We also find out they arent the only ones looking for good men and women We all have a past that we may not be proud of but we all can look to the future for change if we only try hard to do whats right The future will be a big picture for all of us if we only look listen and do what thus said the Lord says This is just my opinion and I am not criticizing anyone in this story We all have sin and I cannot point my figure at anyone unless I point it at myself sin is sin no matter how big or small in the eyes of the Lord This book is to inspire those who will read it and have an open mind The Lord wants us all to take inventory on ourselves and be mindful and not judge others I really hope you all will enjoy what you have read May the Lord guide you on your way to happiness and more **When Good Men Behave Badly** David B.
