Urban Interstices: The Aesthetics and the Politics of the In-between Andrea Mubi Brighenti, 2016-02-11 Bringing together a team of international scholars with an interest in urban transformations spatial justice and territoriality this volume questions how the interstice is related to the emerging processes of partitioning enclave making and zoning showing how in between spaces are intimately related to larger flows networks territories and boundaries Illustrated with a range of case studies from places such as the US Quebec the UK Italy Gaza Iraq India and South east Asia the volume analyses the place and function of interstitial locales in both a disciplined urban space and a disordered space conceptualized through the notions of excess danger and threat Warning not to romanticize the interstice the book invites us to study it as not simply a place but also a set of phenomena events and social interactions How are interstices perceived and represented What is the politics of visibility that is applied to them How to capture their peculiar rhythms speeds and affects On the one hand interstices open up venues for informality improvisation challenge and bricolage playful as well as angry statements on the neoliberal city and enhanced urban inequalities On the other hand they also represent a crucial site of governance even governance by withdrawal and urban management where an array of techniques ranging from military urbanism to new forms of value extraction are experimented At the point of convergence of all these tensions interstices appear as veritable

sites of transformation where social forces clash and mesh prefiguring our urban future The book interrogates these territories proposing new ways to explore the dynamics events and visibilities that define them Beckett and Politics William Davies,Helen Bailey,2020-10-26 This collection of essays reveals the extent to which politics is fundamental to our understanding of Samuel Beckett s life and writing Bringing together internationally established and emerging scholars Beckett and Politics considers Beckett s work as it relates to three broad areas of political discourse language politics biopolitics and geopolitics Through a range of critical approaches including performance studies political theory gender theory historicizing approaches and language theory the book demonstrates how politics is more than just another thematic lens it is fundamentally and structurally intrinsic to Beckett s life his texts and subsequent interpretations of them This important collection of essays demonstrates that Beckett s work is not only ripe for political engagement but also contains significant opportunities for understanding and illuminating the broader relationships between literature culture and politics

The Cambridge Companion to British Black and Asian Literature (1945-2010) Deirdre Osborne,2016-10-14 This Companion offers a comprehensive account of the influence of contemporary British Black and Asian writing in British culture While there are a number of anthologies covering Black and Asian literature there is no volume that comparatively addresses fiction poetry plays and performance and provides critical accounts of the qualities and impact within one book It charts the distinctive Black and Asian voices within the body of British writing and examines the creative and cultural impact that African Caribbean and South Asian writers have had on British literature It analyzes literary works from a broad range of genres while also covering performance writing and non fiction It offers pertinent historical context throughout and new critical perspectives on such key themes as multiculturalism and evolving cultural identities in contemporary British literature This Companion explores race politics gender sexuality identity amongst other key literary themes in Black and Asian British literature It will serve as a key resource for scholars graduates teachers and students alike **Radical**

Children's Literature K. Reynolds,2007-04-12 This book reappraises the place of children s literature showing it to be a creative space where writers and illustrators try out new ideas about books society and narratives in an age of instant communication and multi media It looks at the stories about the world and young people the interaction with changing childhoods and new technologies **The Afterlife of the Shoah in Central and Eastern European Cultures** Anna

Artwinska,Anja Tippner,2021-11-08 The Afterlife of the Shoah in Central and Eastern European Cultures is a collection of essays by literary scholars from Germany the US and Central Eastern Europe offering insight into the specific ways of representing the Shoah and its aftereffects as well as its entanglement with other catastrophic events in the region Introducing the conceptual frame of postcatastrophe the collected essays explore the discursive and artistic space the Shoah occupies in the countries between Moscow and Berlin Postcatastrophe is informed by the knowledge of other concepts of post and shares their insight into forms of transmission and latency in contrast to them explores the after effects of extreme

events on a collective aesthetic and political rather than a personal level The articles use the concept of postcatastrophe as a key to understanding the entangled and conflicted cultures of remembrance in postsocialist literatures and the arts dealing with events phenomena and developments that refuse to remain in the past and still continue to shape perceptions of today's societies in Eastern Europe As a contribution to memory studies as well as to literary criticism with a special focus on Shoah remembrance after socialism this book is of great interest to students and scholars of European history and those interested in historical memory more broadly

The Architecture of David Lynch Richard Martin, 2014-10-23 From the Red Room in Twin Peaks to Club Silencio in Mulholland Drive the work of David Lynch contains some of the most remarkable spaces in contemporary culture Richard Martin's compelling study is the first sustained critical assessment of the role architecture and design play in Lynch's films Martin combines original research at Lynchian locations in Los Angeles London and LdZ with insights from architects including Adolf Loos Le Corbusier and Jean Nouvel and urban theorists such as Jane Jacobs and Edward Soja In analyzing the towns cities homes roads and stages found in Lynch's work Martin not only reveals their central importance for understanding this controversial and distinctive film maker but also suggests how Lynch's films can provide a deeper understanding of the places and spaces in which we live
