Dave the Detective: Book #1, UNDERWORLD Book #2, IDENTITY CRISIS Dan Katz,2009-10-19 These are the first two books in what is to be an ongoing detective fiction series The protagonist Dave Gold is a private enquiry agent in Sydney Australia In the first book UNDERWORLD Dave is engaged by the kingpin of the Sydney underworld to clear his son of a murder charge In the second book IDENTITY CRISIS Dave is engaged by a young man who has had his personal memory destroyed to try to find who he is *An Unexpected Minority* Edward W. Morris,2006 Racial and ethnic minority groups in the United States have been growing rapidly in recent decades Projections based on census data indicate that in coming years white people will statistically dominate noticeably fewer regions and public spaces How will this reversal of minority

status affect ideas about race In spaces dominated by people of color will attitudes about white privilege change Or will deeply rooted beliefs about racial inequality be resilient to numerical shifts in strength In An Unexpected Minority sociologist Edward Morris addresses these far reaching questions by exploring attitudes about white identity in a Texas middle school composed predominantly of African Americans Latinos and Asians Based on his ethnographic research Morris argues that lower income white students in urban schools do not necessarily maintain the sort of white privilege documented in other settings Within the student body African American students were more frequently the cool kids and white students adopted elements of black culture including dress hairstyle and language to gain acceptance Morris observes however that racial inequalities were not always reversed Stereotypes that cast white students as better behaved and more academically gifted were often reinforced even by African American teachers Providing a new and timely perspective to the significant role that non whites play in the construction of attitudes about whiteness this book takes an important step in advancing the discussion of racial inequality and its future in this country
