What Makes A Historical Fiction:

Gay and Lesbian Historical Fiction N. Jones, 2007-05-28 The first extensive study of gay and lesbian historical fiction this book demonstrates how the highly popular sub genre helps us understand gay and lesbian history It shows not only why the sub genre should be taken more seriously by historians but also how it implicitly works to ameliorate divisions between Christianity and homosexuality

Re-visioning Historical Fiction for Young Readers Kim Wilson, 2011-06-15 This study is concerned with how readers are positioned to interpret the past in historical fiction for children and young adults Looking at literature published within the last thirty to forty years Wilson identifies and explores a prevalent trend for re visioning and rewriting the past according to modern social and political ideological assumptions Fiction within this genre while concerned with the past at the level of content is additionally concerned with present views of that historical past because of the future to which it is moving Specific areas of discussion include the identification of a new sub genre Living history fiction stories of Joan of Arc historical fiction featuring agentic females the very popular Scholastic Press historical journal series fictions of war and historical fiction featuring multicultural discourses Wilson observes specific traits in historical fiction written for children most notably how the notion of positive progress into the future is nuanced differently in this literature in which the concept of progress from the past is inextricably linked to the protagonist s potential for agency and the realization of subjectivity The genre consistently manifests a concern with identity construction that in turn informs and influences how a metanarrative of positive progress is played out This book engages in a discussion of the functionality of the past within the genre and offers an interpretative frame for the sifting out of the present from the past in historical fiction for young readers

Narrative Strategies in the Reconstruction of History Ana Fernandes, 2018-12-14 This book enquires into the processes by which certain contemporary women pay testimony to history It examines the reasons why they recreate the past whether political social or artistic and the strategies employed to establish a comparison with the present The focus is on authors such as A S Byatt Pat Barker Anne Enright Tracy Chevalier and Ali Smith The volume demonstrates and discusses parallels shifts and transformations in the writing of these authors and in the rewriting of history in contemporary fiction by women authors

Adventurous Women in Contemporary American Historical Fiction Jeannette King, 2022-03-10 This book brings together for the first time nine groundbreaking historical novels by women from the United States Canada and Latin America united by their focus on female adventurers These novels introduce the neglected women of history real and imagined who accompanied their menfolk to the New World and enabled its settlement or colonisation Familiar novelists include Isabel Allende Audrey Thomas and Jane Smiley but this book also introduces less familiar writers who have produced richly textured and densely historical novels In addition to putting women back into history these writers engage with the literature of the past including the American canon of male fiction which dominated literary history before the intervention of feminist scholars The book begins with an introduction to the history of historical fiction and provides a theoretical historical

and geographical context for the novels themselves **Female Gothic Histories** Diana Wallace,2013-03-30 Female Gothic Histories traces the development of women s Gothic historical fiction from Sophia Lee s *The Recess* in the late eighteenth century through the work of Elizabeth Gaskell Vernon Lee Daphne du Maurier and Victoria Holt to the bestselling novels of Sarah Waters in the twenty first century Often left out of traditional historical narratives women writers have turned to Gothic historical fiction as a mode of writing which can both reinsert them into history and symbolise their exclusion This study breaks new ground in bringing together thinking about the Gothic and the historical novel and in combining psychoanalytic theory with historical contextualisation *The Forms of Historical Fiction* Harry E.
