Heaven's Open Door Sandra Orlando, 2014-12-19 From Heaven's Open Door comes the author's witness that God's messengers are present in our lives and are truly commissioned with bringing love guidance and illumination You will discover That angels do exist Angels are accessible Angels bring about miraculous interventions and healings Angels bring assistance and support Angels are messengers and heralds of God's love and care Heaven's Open Door is a journalized sharing by the author and others with the intent of moving the reader to a new level of mindfulness regarding the godly and celestial presence that surrounds each of us as the beloved of God These entries are to confirm and guide the reader to the realization that we indeed do have a 911 line to heaven **Heaven's Devil** Craytonia Saunders, 2021-05-12 AOD and the fellas were hanging at the minipark gambling and watching the girls One of the crew members got enough money to feed the group They decided to head to Gabe's for sloppy bags But things didn't go as planned The BWGs were already there and things got out of hand quickly AOD saw the gun and picked it up aimed it into the crowd and fired off one shot The bullet hit Mike G in the face He stood still and then dropped to the pavement Hearing sirens the CC Live boys ran toward the MLK school field where they split up and ran their own ways AOD hid under a car for a while When he decided to come out he threw the gun on the roof of the elementary school and started walking as if nothing happened Once on the streets he heard Get down before I shoot your little ass While riding to the police station the officer kept saying So you like to shoot people huh AOD knew enough to keep his mouth closed Because that was the CC Live's way of doing things *The Practical Works of Richard Baxter: with a Life of the Author and a Critical Examination of His Writings* by William Orme: *The catechising of families. The poor man's family book* Richard Baxter, 1830 **The Mutineer, Or Heaven's Vengeance**, 1899 **The Wind from Heaven's Window** Pat Mitchell, 2013-11 This collection is a combination of romantic philosophic mystical and spiritual poetry written to warm even the coldest of hearts They come from a very inspired place that speaks of a great desire

to understand ourselves The elusive butterfly in all of us that out of its innate curiosity to learn and experience things by necessity transforms itself They also speak of the unique place that we all share in the divine tapestry we call life and how we are all intimately connected The poems reflect on the betrayal and hypocrisy that we all inevitably encounter on our journey through life Most importantly a message of hope and joy runs through them so that we are always reminded that even in our darkest moments the light of truth and love has never abandoned us The book also shares some of the stories that inspired and motivated some of the poems They run the gamut from gut wrenching tearjerkers to deeply impassioned pleas for universal kindness to the whimsical frolic of a playful little child Included is a section titled Musings on Life These are philosophic perspectives intended to be life lessons for the reader It s been said that not all men are masters but all masters have been men Along that same line of thinking the author feels that although not all philosophers are poets all poets are philosophers
