What In The World Was God Thinking:

Why Good Thinking Starts with God: Thinking About Thinking Stephen J. Fyson, 2024-09-24 Everyone has their own thoughts and ideas about our origins morality and even spirituality But where do our thoughts begin Why do we think the way that we do And should we rely on our own thoughts to guide us in our daily interactions with one another Stephen J Fyson dives deeper into thinking examining the roots of these questions and pointing the reader to discover why good thinking starts with God In this short look into the history of psychology and the history of some thinking religions Fyson encourages the reader to examine their thoughts a little more closely to find what everyone is searching for Truth *What in the World Was God Thinking?* Kirk Hartness, 2014-01-15 *What Does God Think?* Cheryl B. Evans, 2017-09-10 A READERS FAVORITE 2018 AWARD WINNING BOOK The bestselling author of I PROMISED NOT TO TELL Raising a transgender child invites you on a fascinating exploration to discover the truth in What Does God Think Transgender People and The Bible Presented with the idea that her transgender child was not of God Cheryl B Evans set out to see what God really thinks about transgender people What does the Bible say Why is there such a big divide among Christians Why do some Christians insist there is no such thing as a transgender person while other Christians accept and affirm transgender people And most importantly what does God think This LGBT Christian book takes the reader on a journey that is educational and highly revealing What Does God Think is an invitation to examine the scriptures and give consideration to the social cultural and scientific facts that impact what we believe and the way we internally feel about transgender people Cheryl B Evans handles this controversial topic with grace and compassion for people on both sides of this debate If you have been struggling to understand how someone can be Christian and still accept and affirm transgender people then this book is for you If you know someone who is struggling to accept a loved one who has come out as trans this would be the perfect book to recommend Are you ready to have this conversation Opinions vary widely on the topic of gender and gender identity and when you mix religion into the conversation it gets even more interesting In this non fiction book Evans discusses these important social issues in a calm and nonthreatening way Making this transgender affirming book an excellent resource for both Christians and non Christians Grab your copy now and let s talk Editorial Reviews Evans presents an accessible introduction to issues surrounding trans identity and Christianity After a brief explanation of the science of sexual diversity and the growing public awareness of trans people Evans embarks on a fairly high level exploration of the difficulty of relying on the Bible to address modern concerns She builds a case that the Bible is less conservative than many traditionalists assert Evans s clear heartfelt writing is a compassionate starting point for discussion Publishers Weekly BookLife Superb second book by Cheryl B Evans So much great reading in What Does God Think and it is so well presented Hallalujah Well done Award Winning Author Viga Boland No Tears For My Father What Does God Think does a great job of beginning a conversation One that does not judge or condemn but offers valuable thought provoking insights Ultimately it delivers a

message of truth about God's unconditional love and purposeful creation of each of us. As I have always believed, we are all part of the story which rises out of God's love and Jesus' teachings transcending time. Love is like that. Good teaching is like that. They have iconoclastic power to draw humanity to the good, however slow the process may be. This book has the power to bring comfort and spiritual healing to individuals seeking to understand how being transgender is not against God. It was a privilege to review *What Does God Think* and in doing so I have expanded my knowledge about transgender people. The Reverend Dr Janet Brigham Reader Review: A must read for Christian Transgender issues. I thought I was going to have to walk away from Christianity when my son came out as trans. There is hope that some people are open-minded in the church. Edward: This book perfectly sums up the seemingly inconsistent struggle between transgender people, the Christian Church, and God. Conflicting views abound, and it's easy to get confused, especially when raising a transgender child yourself, having praised and loved God your whole life, only to be told by some that your child simply isn't good enough or is actually possessed by demons. This book will dispel fears and gives a good, wholesome perspective on the situation. Just breathe, continue to love God, continue to love your child, and don't let other people's opinions confuse you. Highly recommended.

Harris, Castle Hills First Baptist Church: I have been a worried and anxiety-ridden person since childhood. This is the first Bible study I have taken that specifically targeted this and showed me through the Word how to be an overcomer. Excellent thought-provoking one of the most wonderful Bible studies I have ever done. I see the power of God at work in this study. It really has changed my thinking.
