What Left Behind Left Out The Truth:

Left Out: What to do if You're Left Behind or Left Below Ben Tousey, 2009-10-22 Tim LaHaye called it Left Behind The Rapture that auspicious moment when Fundamentalists everywhere suddenly disappear raptured into Heaven safe from the coming Tribulation Left Out is the story of twin brothers Benjamin and David Bragg Benjamin comes from the philosophy that all paths to God are sacred and David believes that the only way to get to Heaven is to accept Jesus Christ as your Personal Savior and renounce your affiliation with the Democratic Party and declare war on anyone who would take Christ out Christmas The day finally comes when nearly a billion people disappear from the Earth most of them from the United States South Meanwhile in Heaven things aren't going as expected Despite the beauty and the splendor Heaven's the new residents make a gruesome discovery They don't like each other but they're stuck with each other forever and ever hallelujah hallelujah

First the Antichrist Bob Gundry, 1996-06-01 History established the pattern through world floods Egyptian plagues tribulations of all kinds God leads his people through life's disasters not around them First the Antichrist rejects the pretribulation rapture scenario that God will open an escape route so Christians will be spared persecution Rather in a complex chain of events Christ will gather the church out of the world only after seven years of intense suffering when Christ returns to rule In this close study of church history and debated Bible texts Bob Gundry shows that the pretribulation rapture is a recent innovation It is wishful thinking that came to grab the pre-millennial spotlight But serious scholars are backing away It just doesn't accord with what the Bible says In First the Antichrist Gundry lays out a more biblical and accurate picture First the Antichrist is a much needed contribution to apocryphal and pre-millennial prophecy studies Midwest Book Review
