

Domenico Dolce and Stefano Gabbana show us what is most beautiful about fashion, telling a story woven from inspiration, hard work, magic, and desire, capable of touching the hearts of every generation.
-Franco Colagati

This exhibition is a manifestation of the designers' desire to share their love for their homeland and its artistic soul through all possible modes of expression: painting, architecture, sculpture, interior decoration, stage arts, opera, music, fashion, tailoring, fine jewelry, Sicilian ceramics and stucco, Venetian glass... With its cities, regions, history, and dynamic present, Italy represents an immense mood board to be explored through the lens of fashion and contemporary culture.
-Florence Miller

From the Heart to the Hands proposes a captivating journey through the new renaissance of which Dolce&Gabbana are the daring creators. It is a rebirth of art that springs from an awareness of the immeasurable treasure represented by the heritage of knowledge, ingenuity, and creativity that Italian craftsmanship has upheld for centuries.
-Alberto Rocca
