When Police Department Request Official Report:

Reports of Proceedings ... Boston (Mass.). City Council, 1896 **Total Misconduct** Samuel Clark, 2011-09-05 While a supervisor with the Newark New Jersey Police Department's Gang Intelligence Unit Samuel Clark was attacked by another Newark Police officer and nearly choked to death The officer who committed the assault on Clark was only sanctioned with a reprimand Clark could not understand how an officer could receive such a lenient sanction for committing a serious act of misconduct It prompted Clark to investigate the police department's internal disciplinary system Clark discovered that officers involved in thefts assaults burglaries sexual assaults and other serious crimes were being protected by high ranking police officials of the Newark Police Department Then too police officers that attempted to report acts of misconduct were punished with false retaliatory non criminal administrative charges These honest officers were fired or given harsher sanctions than officers involved in crimes Clark could not be silent about these shocking crimes committed by police officers He wrote numerous official police reports complaining about these incidents Instead of following the laws of New Jersey and conducting a thorough investigation of Clark's complaints Newark police officials retaliated by filing false administrative charges against Clark Newark police officials demoted Clark from Lieutenant to Sergeant and he was suspended without pay for 282 days When Clark returned to work after this demotion and suspension he continued to make official written complaints about serious acts of police misconduct Newark Police officials then sanctioned Clark with an indefinite suspension without pay Six months later Clark was terminated for non criminal administrative charges Officials of the Newark Police department ruled that Clark was incompetent and inefficient It is more than coincidence that three years prior to his termination Clark addressed members of the Newark Municipal Council and complained about police corruption In that address on public record Clark predicted that he would be terminated for incompetence Clark's termination and demotion have been reversed and he retired Presently he is working as a consultant and expert witness He has worked with numerous honest police officers that have been victimized by systemic police corruption Clark has not only worked with victimized police officers in Newark New Jersey Philadelphia Pennsylvania Greensboro North Carolina and elsewhere he has also provided assistance to citizens and numerous firefighters also Clark has testified before several governmental committees schools courts churches and organizations about police corruption and the inherent flaws of the internal disciplinary system The purpose of this book is to expose the extent of police corruption and the dictatorial power of police officials in the United States A key revelation of this book is that police officials are protecting and rewarding cops who have engaged in serious criminal misconduct while subjecting police officers who obey the law to severe punishments How can law enforcement agencies operate so lawlessly in America It is this question that this book poses to the reader and seeks to address *Official Reports of the Supreme Court* United States.
