When The Last Trumpet Sounds:

When the Last Trumpet Sounds Donald Fishgrab, 2014-11-21 This is a study of New Testament prophecies relating to the Second Coming of Jesus Christ Keeping in mind the statement in II Peter 1 20 21 that no prophecy of the scripture can be interpreted except in accordance with previous prophecies it starts with Jesus prophecies in the book of Matthew and follows them through to the book of Revelation Numerous Old Testament prophecies are examined to assist in understanding those in the New Testament The result is a logical and easily understood sequence of events into which other prophecies should fit easily eliminating confusion as to what some passages mean

The Rapture: A Pre- or Post-Tribulation Event? Colleen Wandmacher, 2023-07-27 God tells us not to be deceived about the timing of us being caught up to meet Jesus in the air an event Christians refer to as the rapture He would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end time events Diligently studying pertinent Scriptures in God's Word is the only way one can be free of deception and be spiritually prepared for the times that may befall us This book helps the reader to deeply study the Word of God to see the truth I've read a large number of books on the rapture debate and in my opinion this excellent book is by far the best While reading this book I felt like my spiritual glasses were being cleaned so I could see the simplicity of the truth of scripture again Well done Colleen Marvelous Five gold stars from me I have read several books about the rapture and end time prophecy including Pre Tribulation and Mid Tribulation and when I come across this book it was so clear logical and well written based solely on the scripture that I could grasp the subject clearly and convincingly which has helped me tremendously in making up my mind where to stand on the subject of the timing of the rapture at the end time Really recommended

The Chronological Order of Revelation Don Kremer, 2007-07 Kremer presents an in depth study of the Book of Revelation and how it relates to this generation Biblical Studies *All Power to the Lamb* James R. Johnson, 2010-12 Book Summary If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty readers can understand it Certainly there are symbols in Revelation but when God does use symbols He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist view in that it views Revelation from a

literalist futurist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8-22 as three parallel prophecies of the Lamb's power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age **Crowning Day, 1-6 Combined** Jacob Henry Hall, James Hott Ruebush, William Howe Ruebush, 1908 *The Complete Idiot's Guide to the Last Days* Richard H. Perry, 2006-11-07 Get ready for Judgment Day For centuries humans have dreaded and anticipated the end of the world These fears fueled by natural disasters famines world wars and the writings of people like Nostradamus and Jeane Dixon have left us with more questions than answers In *The Complete Idiot's Guide to the Last Days* Richard H Perry goes to the definitive source on the subject the Bible itself While the book is as exciting as an action adventure novel the author's primary source is the Bible and he guides his readers to an understanding of the Last Days by using related Scripture Covers Bible basics and the Signs of the Times Includes timelines of every stage leading up to the Last Days and after **Not Afraid of the Antichrist** Michael L. Brown, Craig S. Keener, 2019-03-19 Despite the popular theology of our day Christians should not expect to get out of experiencing the tribulation or the end times Nowhere in the Bible does the Lord promise us this say Michael Brown and Craig Keener two leading acclaimed Bible scholars In fact they say Jesus promises us tribulation in this world Yet this is no reason to fear In this fascinating accessible and personal book Brown and Keener walk you through what the Bible really says about the rapture the tribulation and the end times What they find will leave you full of hope God's wrath is not poured out on His people and He will shield us from it as he shielded Israel in Egypt during the ten plagues So instead of taking comfort in what God hasn't promised take comfort in the words of Jesus He has overcome the world and we live in his victory

THE PERFECTION OF THE END TIMES CALENDAR ANTONIO CALIL, 2023-05-08 This book offers a stunning and unprecedented look at when the end times Bible prophecies will be fulfilled *The Future at Face Value* Dale TerHaar, 2016-10-13 *The Future at Face Value* By Dale TerHaar Author Dale TerHaar studied for the ministry at Liberty University School of Life Long Learning Dale has studied the Bible all his life and the second coming of Jesus in particular since 2000 Theologians are excited about the end of the age and the soon coming Rapture However they seem to be changing their story which is becoming more and more like Dale's doctrine Everyone is interested in the approximate time the Rapture will take place and how much more persecution the Christians will have to endure The author does not set any dates but clearly shows the things that must happen just before the Rapture takes place Our redemption in the Day of the Lord is a part of the Gospel message and is an important doctrine all Christians share Dale exposes why this Gospel lesson is so important and relevant for today's believers in simple to understand language This book will enable believers to strengthen their resolve to live for Christ in the times of trouble we live in today Dale has titled his book *The Future at Face*

Value because he interprets the Scriptures at face value The Bible and the book of Revelation become very easy to understand when interpreted literally Dale also makes sure that Scripture verses are not quoted out of the context in which they were written In other words the Bible is only interpreted literally and at face value which is very refreshing for the reader The reader will be delighted by the relevancy of Christ s second coming and uniqueness of understanding the Bible literally

Hold Fast The Form of Sound Words Henry T. Hudson, Henry Hudson, 2006-11 This book by Dr Henry T Hudson is a collection of studies that first appeared in serial form in his monthly Bible study mailings They are selections from his written dialogue with various pastors over the last ten years Apart from the first four which are inserted by way of emphasizing the authority of Holy Scripture the rest focus as the subtitle declares on reviewing and refining dispensational thinking in areas such as Biblical prophecy the Kingdom of God and the nature of the mystery that was revealed to the Apostle Paul While accepting and advocating the pragmatic value of the dispensational approach to the Bible Dr Hudson is never the less of the opinion that some of the deductive reasoning associated with this approach has allowed questionable premises to dictate faulty interpretations In consequence there are chinks in the armor

Biblical Eschatology Jeong Koo Jeon, 2021-10-01 Jeon s Biblical Eschatology explores the pattern of covenant eschatology demonstrated and revealed in the Bible throughout redemptive history In a sense it is a revolutionary method to freshly examine and look at the entire redemptive history from the perspective of covenant eschatology because the Bible itself is the covenantal canon Readers will marvel at how the author unpacks the pictorial
