#### When The Sparrow Sings:

When the Sparrow Sings Jason Linden, Brooke Howell, 2014-12-13 Zack Hiatt is the best pitcher on maybe the best team in baseball and he is going to the World Series Zack s arrival on the big stage is the culmination of his father s dream as much as his own and Zack has the scars to prove it But before he can even throw a pitch in the Series his father dies in a tragic car accident The first question whether or not to pitch isn t even a question He has to pitch The world demands it of him And so does he What follows is a story about trying to hold it together when you shouldn't have to and about the memories our parents leave with us when they re gone Praise for the book Baseball fiction is hard Well all fiction is hard but baseball fiction is particularly so because the game is so hard to capture What makes Jason Linden's When the Sparrow Sings so compelling is that it is easy to forget that it is fiction The baseball feels authentic and close and like the real thing so fleeting Joe Posnanski national columnist for NBC Sports Birds and All Nature in Natural Colors Charles C.
