## **What Makes It A Great Book:**

**What Makes This Book So Great** Jo Walton, 2014-01-21 A remarkable guided tour through the field a kind of nonfiction companion to *Among Others* It's very good It's great Cory Doctorow Boing Boing As any reader of Jo Walton's *Among Others* might guess Walton is both an inveterate reader of SF and fantasy and a chronic re-reader of books In 2008 then new science fiction mega site Tor.com asked Walton to blog regularly about her re-reading about all kinds of older fantasy and SF ranging from acknowledged classics to guilty pleasures to forgotten oddities and gems These posts have consistently been among the most popular features of Tor.com Now this volume presents a selection of the best of them ranging from short essays to long reassessments of some of the field's most ambitious series Among Walton's many subjects here are the Zones of Thought novels of Vernor Vinge the question of what genre readers mean by mainstream the underappreciated SF adventures of C.J. Cherryh the field's many approaches to time travel the masterful science fiction of Samuel R. Delany Salman Rushdie's *Midnight's Children* the early Hainish novels of Ursula K. Le Guin and a Robert A. Heinlein novel you have most certainly never read Over 130 essays in all *What Makes This Book So Great* is an immensely readable engaging collection of provocative opinionated thoughts about past and present day fantasy and science fiction from one of our best writers For readers unschooled in the history of SF this book is a treasure trove Publishers Weekly starred review

**The It Factor: What Makes a Teacher Great?** Holly J. Thornton, 2018-05-16 The impact a teacher has on students may be profound and lasting Thus teacher preparation is grounded in standards to assure that all teacher candidates know the content and have the skills needed to become good teachers What makes a teacher great The answer is not clear cut or easily measured with tests But we all know a great teacher when we see one The best teachers have an It Factor that sets them apart from others It is seemingly intangible and unteachable as it's often said that Some people are just born to be teachers This book challenges that assumption and uncovers the It Factor Teacher and student voices helped to develop language and tools to examine how teachers are disposed to think and act and how this affects student learning If we can identify what makes teachers great we can teach it Students have a sea of information opinions and messaging at their fingertips They find themselves navigating through a myriad of facts and alternative facts Opinions beliefs and fallacies share the same platform and status as well grounded information and vetted ideas fueling tensions among individuals and distance between groups Developing students who are caring critical thinkers and problem solvers may be more important now than ever The teachers who are right for this challenge have more than content knowledge and teaching skills To meet this challenge teachers need to have It that something inside that makes them not just good teachers but great ones

**The Facts of Business Life** Bill McBean, 2012-09-19 IF YOU BELIEVE THAT Being your own boss can be a great career choice Success is what you decide it is Doing what you have a passion and talent for can be very profitable Monetary risk hard work and new ideas should be financially rewarded Understanding the business basics every successful owner focuses on and in what order would be beneficial Success works for you only after you ve worked for it Marketplace battles are won before they are played Knowing what owning a business is really like would make ownership success a lot easier Change can create great opportunities Knowing when to exit a business is as important a life and business decision as becoming an entrepreneur in the first place THEN THE FACTS OF BUSINESS LIFE IS FOR YOU Written by a successful business owner with four decades of experience The Facts of Business Life is full of real world concepts that owners must use and embrace if they want to become and stay successful This multiple award winning book has been endorsed by some of America s top business leaders like Steve Forbes and Ken Fisher and has been recognized as one of the best five business books of the year and a must read for entrepreneurs or those wanting to be one McBean begins with clear explanations and real life examples of the seven

Facts of Business Life that every successful business owner knows and executes consistently including exactly what they are as well as how and when to use them He then goes on to show how those facts impact on the five levels every successful business passes through from Ownership and Opportunity to Moving On When It s Time to Go explaining that while the facts themselves remain the same as a business becomes successful and moves through its life cycle the way they are applied must change to fit changing circumstances But there are even more reasons why this breakthrough business book is a must read including Its principles are based on the author s own experience in starting and running successful businesses in a variety of industries It shows that the most successful businesspeople create profitable opportunities rather than wait for them to present themselves It enables readers to analyze the likelihood of their own success based on the characteristics most successful owners have It reveals the 1 priority for all owners and their employees and why every owner needs to continually focus on it Hint it s not being profitable It emphasizes that becoming successful is no guarantee that success will last and that success itself can be a trap that eventually leads to failure It shows that a business s culture isn t just a mission statement but also the processes created to operate the business and the employees who implement them It discusses the steps that must be taken even before a business is started to increase the odds of its becoming a lasting success It covers every step in a business life cycle including the last one showing that the best time to exit a business is when you don t have to and that unless you pick that time someone else will MANY BUSINESS BOOKS INCREASE THEIR READERS

KNOWLEDGE THE FACTS OF BUSINESS LIFE NOT ONLY INCREASES THAT KNOWLEDGE IT SHOWS YOU HOW TO TURN IT INTO PROFITS Strengthening Family Coping Resources Laurel Kiser,2015-01-14 Strengthening Family Coping Resources SFCR uses a skill building multi family group framework to teach constructive resources to families who have a high exposure to stress and trauma As an intervention for high risk families SFCR can cause a reduction in symptoms of traumatic distress and behavior problems and help families demonstrate higher functioning The SFCR manual is based on a systemic family approach and uses empirically supported trauma treatment that focuses on family ritual storytelling and narration which improves communication and understanding within family members The manual is organized into three accessible parts Part 1 details the theoretical and empirical foundations of SFCR Part 2 focuses on implementation and the clinical guidelines for conducting SFCR Part 3 contains session guidelines focused on the multi family group versions of SFCR Each session included in the intervention is structured according to specific guidelines and instructions provide examples of what facilitators might say to a group Formed through the input of psychiatrists psychologists social workers and anthropologists Strengthening Family Coping Resources will help you reduce the symptoms of traumatic stress disorders and increase coping resources in children adult caregivers and the family system It also provides a novel approach to addressing co occurring traumatic reactions in multiple family members by including developmentally appropriate skill building activities that are reinforced with family practice For anyone working with families in a therapeutic capacity this manual is a
