Eerdmans Commentary on the Bible: Psalms Willem S. Prinslo, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Prinslo's introduction to and concise commentary on Psalms. The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha. Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars, students, and general readers. Rather than attempt a verse by verse analysis, these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story. Commentators focus on the genre of each text: parable, prophetic oracle, legal code, and so on, interpreting within the historical and literary context. The volumes also address major issues within each biblical book, including the range of possible interpretations, and refer readers to the best resources for further discussions.

THE CATECHISM OF PERSEVERANCE MONSIGNOR GAUME, 1883 *The New Testament commentary for schools*, ed. by C.J. Ellicott Charles John Ellicott (bp. of Gloucester), 1879 *Life in the Son* Robert Shank, 2024-06-18 A deep study on the doctrine of eternal security. Does one moment of faith secure a person's eternal destiny with God, even if that person later stops following and trusting in Jesus? Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God? Now expanded with new chapters and research, this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security: perseverance and apostasy in the New Testament. Calling into question the popular "once saved, always saved" belief, internationally respected pastor and scholar Dr. Robert Shank reveals that the question we should be asking is not "Is the believer secure?" but rather "What does it mean to be a believer?" Straightforward, thorough, and grounded in biblical understanding, this book warns Christians about dangers that could potentially lead a believer to become an unbeliever, falling away from faith and share in the unbeliever's eternal condemnation.

Jesus' Course in Miracles, 2000 The JCIM derives from the Hugh Lynn Cayce version of the Course, which was completed by Helen Schucman and Bill Thetford in 1972. Later editing by others removed about 25% of the material contained in the first five chapters and made numerous editorial changes which affected both the tone and the content of the message. Many students consider study of the unabridged JCIM version to be indispensable in their curriculum. Text only. This edition does not include the Workbook or the Teachers Manual. There is a good explanation of the JCIM on our website at <http://jcim.net/sacredsource.html>. 306 pages plus 102 page appendix comparing the JCIM with the popular commercial version of the Course.

A Course in Miracles Helen Schucman, William T. Thetford, 2009-05-15 ACIM Original Edition. Text contains the unabridged Text volume of A Course in Miracles as it was completed by Helen Schucman and Bill Thetford in 1972. The conversational tone of this edition invites the novice student into conversation with the Author, and even advanced students of ACIM find a new clarity and deeper understanding. Does not include Workbook for Students or Manual for Teachers.
