please and I m not gonna go easy on you He said and my eyes widened I felt my insides tighten at his words But I won t do anything I don t think you can handle You understand He asked and his eyes blazed into mine He seemed genuinely sincere when he said that And when I looked into his intense blue eyes I realized that I believed him Some of my terror from before began to ebb and I gave Sawyer a small nod letting him know that I understood That I trusted him You gonna let us screw this one Mick asked breaking the intense moment that Sawyer and I had been sharing Sawyer tore his eyes from mine and looked around at the men and the wolves that were surrounding us Maybe Sawyer said and I gulped But I m gonna have to break her in first And before I knew what was happening Sawyer s impossibly strong arms were around me pulling me forward and holding me close to him There were hoots and howls as he lifted me off the ground and pressed me into his chest My legs went around his waist instinctively and his hands cupped my behind

felt his breath on my throat and the wiry fur hanging off his chest brushed against my thighs where he had pushed my dress
up almost to the top of my legs Before I knew what he was doing the tremendous creature had got me to push myself
backward until I touched the wall and could go no further Good he growled from deep in his chest Very good You've got

seemed to burn so bright that I felt him against my skin even inside me burning outward from my core all the way to my

you and you want me because he snorted again His breath caught and he coughed You feel me against you and want to know
