## **What Happened From The Cross To The Throne:**

*What Happened from the Cross to the Throne* E. W. Kenyon, 2020-05-12 Believe it or not as they stood at the foot of the cross the original disciples who walked in close companionship with Jesus knew nothing of the real mission of the man they followed They did not realize who Christ was why He came why He had to suffer and what was to be gained by His suffering They did not know what happened on the cross or during the three days and nights in the tomb before His resurrection They did not know why the incarnation was important or that it even was an incarnation All they could see was the undeserved suffering of their friend and rabbi Now legendary Bible teacher E W Kenyon reveals hidden truths there were not fully understood until the Pauline Revelation of the Epistles Until God revealed these truths to the apostle Paul no one understood why Christ came why His death on the cross was necessary or what exactly occurred in the tomb They did not comprehend the good news that because of these events we now become the righteousness of God people who can stand in God's presence without a sense of guilt shame or inferiority This is the miracle of redemption and the miracle of New Creation It is the confidence to overcome the devil to heal disease and to call Lazarus out of the tomb To this day far too many believers share the disciples' view of Jesus a biographical account of the things He did the words He spoke and the suffering He endured Because of this limited revelation their Christian faith will experience the same fears and doubts the disciples were left with the day Jesus was crucified Like the apostles at Pentecost we must move beyond sense knowledge and into the Spirit realm We must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith

*What Happened from the Cross to the Throne* Essek William Kenyon, 1969      *What Happened from the Cross to the Throne* E. W. Kenyon, 2025-07-15 Believe it or not as they stood at the foot of the cross the original disciples who walked in close companionship with Jesus knew nothing of the real mission of the man they followed They did not realize who Christ was why He came why He had to suffer and what was to be gained by His suffering They did not know what happened on the cross or during the three days and nights in the tomb before His resurrection They did not know why the incarnation was important or that it even was an incarnation All they could see was the undeserved suffering of their friend and rabbi Now legendary Bible teacher E W Kenyon reveals hidden truths that were not fully understood until the Pauline Revelation of the Epistles Until God revealed these truths to the apostle Paul no one understood why Christ came why His death on the cross was necessary or what exactly occurred in the tomb They did not comprehend the good news that because of these events we now become the righteousness of God people who can stand in God's presence without a sense of guilt shame or inferiority This is the miracle of redemption and the miracle of New Creation It is the confidence to overcome the devil to heal disease and to call Lazarus out of the tomb To this day far too many believers share the disciples' view of Jesus a biographical account of the things He did the words He spoke and the suffering He endured Because of this limited revelation their Christian faith will experience the same fears and doubts the disciples were left with the day Jesus was crucified Like the

apostles at Pentecost we must move beyond sense knowledge and into the Spirit realm We must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith *What Happened on the Cross* Nick Peros,2020-08-07 *What Happened on the Cross* offers a new and biblical understanding of how salvation was accomplished upon the cross showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished Both the shedding of blood and death were essential in the accomplishment of salvation and *What Happened on the Cross* shows why these were essential Using over 740 Scripture verses to make its argument the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation above all showing clearly that the cross had nothing to do with punishment for sins our sins were never punished upon the cross rather our sins were forgiven Understanding how salvation was accomplished upon the cross and that it was about forgiveness not punishment both exalts God and his greatness demonstrates his perfect love and justice as well as liberates our hearts towards him **Urban**

Jimmy Swaggart,2020-03-17 Due to the paucity of teaching on the Cross of Christ in the last several decades there are of necessity many questions regarding this all important subject How were people Saved before the Cross When did the Doctrine of the Cross originate Why is it that the church knows almost nothing about the Cross of Christ respecting Sanctification Is the answer to every Spiritual problem found in the Cross And there are many more questions **Thinking in the Spirit** Douglas Jacobsen,2003-11-20 This book is about the boisterous beginnings of the American Pentecostal movement and the ideas that defined that movement during those formative years It follows a group of men who rethought the Christian faith in light of their new experience of God *Thinking in the Spirit* aims to provide scholars and general readers

who know little or nothing about Pentecostalism with an introduction to the ideas of the movement's most articulate early spokespersons and to provide Pentecostals with a non judgmental historical source to help them in their theological reflections Douglas Jacobsen focuses on the individuals who formed the original brain trust of this now gigantic religious movement In a 25 year burst of creative energy at the beginning of the 20th century these leaders articulated almost all the basic theological ideas that continue to define the Pentecostal message in the United States and around the world

*Lessons Through the Word* Dwight Edward Knight, 2012-07 *Lessons Through The Word* by Dwight Edward Knight

**The 'Spiritual Death' of Jesus** William Atkinson, 2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity

**COVENANT THEOLOGY: A Critical Analysis Of Current Pentecostal Covenant Theology , Joseph Smith and Word of Faith Movement ,** *The Incarnate Christ and His Critics* Robert M. Bowman Jr., J. Ed Komoszewski , 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God's eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah's Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ

**A Different Gospel** Dan R McConnell, 2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology's doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson

**The Word-faith Controversy** Robert M. Bowman, 2001 A balanced biblical examination of the word of faith movement that helps readers sort through the controversies and recognize sound scriptural teachings

**Renewal Theology** J. Rodman Williams, 2011-05-03 *Renewal Theology* deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate volumes *Renewal Theology* represents the first exhaustive balanced articulation of charismatic theology *Renewal*

Theology discusses Book One God the World and Redemption Book Two Salvation the Holy Spirit and Christian Living Book Three The Church the Kingdom and Last Things As theology this work is an intellectual achievement But it is much more than that The author urges the church to undertake its task of theology in the proper spirit an attitude of prayer a deepening sense of reverence an ever increasing purity of heart a spirit of growing love a theological approach rooted in the glory of God Done in such a spirit theology becomes a faithful and powerful witness to the living God     The Christian Bible DR. MD. Mohiuddin Ahmed M.A., M.Phil., Ph.D.,2022-08-08 The Christian Bible By DR MD Mohiuddin Ahmed M A M Phil Ph D NEED FOR TRANSFORMATION IN CHRISTIANITY The substantial and critical objective of the book The Christian Bible is to delve penetrably into the most vexatious and frequently raised crucial undefined long indeterminate questions like What is Christianity is it a religion a philosophy or a Way of Life What is Bible is it a Word of God Who founded Christianity Jesus Christ or Saint Paul or others if so who The author Dr Md Mohiuddin Ahmed through his in depth study systematic research has efficaciously and vividly discussed considered and placed before Christian priesthood clergy preachers philosophers scholars and leaders to ponder over his reflections concerns conclusions to see realize and achieve the Truth the Solemn Truth Dr Ahmed says that the present Christian elite feels embarrassed in modifying the ethical moral spiritual beliefs systematized as righteous pure and sacred by the ancient Church and its Ministry But it is a well known fact that Christianity has a history of alterations transmutations and transformations The author sounds out why another transformation revealing the Solemn Truth eliminating unresolved beliefs convictions from the existing obscure confirmities should not be initiated In the end pages of the book the author is raising certain pertinent and qualified issues which need the attention of the concerned spiritual peers philanthropists scholars and readers This is a thought promoting contemplative and exciting book opening the channels for re looking into the transformational needs in Christianity     The Letter to the Hebrews Sigurd Grindheim,2023-11-28 What does the Letter to the Hebrews have to say to Christians today A compelling exhortation to hold true to the faith in the face of adversity A sermon full of iconic imagery and Old Testament allusions A signal work of theology in the New Testament Above all the Letter to the Hebrews proclaims the high priesthood of Jesus Christ Yet readers may find this central theme difficult to discern given the epistle s complexity and long history of interpretation In this Pillar commentary Sigurd Grindheim richly illuminates the Letter to the Hebrews explaining difficult texts offering a coherent reading and paying careful attention to linguistic features and historical context all while focusing on its relevance to modern readers Grindheim clearly and comprehensively addresses major issues including authorship date canonicity formal qualities and important themes Following his thorough introduction he explains each line of the text and its significance for believers today Grindheim s commentary offers pastors students and scholars the clarity and fresh insights they want in their scriptural study     The Prosperity Gospel in Africa Marius Nel,2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their

imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth

**Revelation: Beyond the Cross** Dennis LaValley, 2011-10 A deep shroud of mystery surrounds the book of Revelation and it lends itself to a wide variety of interpretations Its style and symbolism intimidate us and leave us bewildered yet there is a thread of continuity and strength permeating its pages Not just another book on Revelation Dennis LaValley's *Revelation Beyond the Cross* cuts through layers of poor translation and error to solve the problems presented by hundreds of years of misinformation In a conversational style LaValley writes to reveal Revelation's true purpose the full vivid story of Jesus's return to heaven after his ministry on Earth Through meticulous research LaValley places Revelation back in the Bible endows it with the authority of Scripture and shows its relevance to the other books of the Bible and to the first century Christian He breaks down Revelation chapter by chapter and interprets the visions and symbols in accordance with the principles of apocalyptic literature using Scripture not opinion *Revelation Beyond the Cross* shatters the bonds of tradition and superstition and strips away the mystery to reveal the pure and simple truth of the Gospel

**The Cross in the Life and Ministry of the Believer** Zacharias Tanee Fomum, 2015-05-16 The final say of the author to the Church at large The messages found in this book feature among the last of a series of messages delivered to the people of God in Cameroon and intended for the training of leaders In this book Professor Fomum presents the cross as an indispensable condition for a quality spiritual life In short the extent to which a believer can actually minister is proportional to the degree he/she dies to the self life Furthermore the author displays the implications of the Kingdom life on earth nowadays he ends up making suggestions on how to lay a nation down at the feet of the Lord The cross is a central element in the life as well as the ministry of a believer In a sense the messages contained in this book represent the final say of the author to the Church at large May each and everyone acknowledge and really experience the cross such that the Holy Ghost will easily have His way in our lives for the glory of the Lord
