What Maisie Knew Illustrated Henry James, 2021-04-30 What Maisie Knew is a novel by Henry James first published as a serial in The Chap Book and revised and abridged in the New Review in 1897 and then as a book later that year It tells the story of the sensitive daughter of divorced irresponsible and narcissistic parents The book follows the title character from earliest childhood to precocious maturity When Beale and Ida Farange are divorced the court decrees that their only child the very young Maisie will shuttle back and forth between them spending six months of the year with each The parents are immoral and frivolous and they use Maisie to intensify their hatred of each other Beale Farange marries Miss Overmore Maisie s pretty governess while Ida marries the likeable but weak Sir Claude Maisie gets a new governess the frumpy somewhat ridiculous but devoted Mrs Wix

What Maisie Knew Henry James, 2008-08-14 What Maisie Knew 1897 represents one of James s finest reflections on the rites of passage from wonder to knowledge and the question of their finality The child of violently divorced parents Maisie Farange opens her eyes on a distinctly modern world Mothers and fathers keep changing their partners and names while she herself becomes the pretext for all sorts of adult sexual intrigue In this classic tale of the death of childhood there is a savage comedy that owes much to Dickens But for his

portrayal of the child's capacity for intelligent wonder James summons all the subtlety he devotes elsewhere to his most celebrated adult protagonists Neglected and exploited by everyone around her Maisie inspires James to dwell with extraordinary acuteness on the things that may pass between adult and child In addition to a new introduction this edition of the novel offers particularly detailed notes bibliography and a list of variant readings ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Reading Henry James in the Twenty-First Century Dennis Tredy, Annick Duperray, Adrian Harding, 2019-06-04 To commemorate the recent centennial of Henry James's death and to help readers understand the depth and scope of the author's influence both today and during the previous century thirty leading Jamesian scholars from twelve different countries and five continents were asked to explore ways in which the notions of heritage and transmission currently come into play when reading James The resulting chapters of this volume are divided into three main sections each focusing on different ways in which James's legacy is being re-evaluated today from his influence on key authors playwrights and film makers over the past century Part One to new discoveries regarding European authors and artists who influenced James Part Two to recent approaches more radically re-evaluating James for the twenty first century including contemporary poetics political and sociological dimensions cognitive science and queer studies Part Three This collection will be of great interest to scholars and general readers of James and is a useful guide to tracing the writer's ever elusive figure in the carpet and understanding the power of his continued impact today
