Whataposs His Passion Book:

On the Passion of Christ Thomas A' Kempis, Joseph N. Tylenda, 2010-09-13 A perfect complement to the movie The Passion of The Christ this book presents reflections that will enable the reader to focus deeply on the true meaning of the Passion In his famous spiritual classic The Imitation of Christ Thomas Kempis reminds the reader that in order to become a follower of Christ one must imitate his life and to accomplish this he adds Let it then be our main concern to meditate on the life of Jesus Christ It is impossible to imitate Christ without first knowing him and the best way of getting to know him is by meditating on his life as it is described in the four Gospels Thus in this wonderful meditation book perfect for Lent or any time of the year the great spiritual writer and monk gives profound short reflections on Gospel passages about the passion and death of Christ Each chapter focusing on a specific aspect of the Passion of Our Lord gives a prayer a meditation and spiritual advice and closes with another short prayer Very much in the same style as his The Imitation of Christ this book covers the entire Passion and makes great spiritual reading for anyone Illustrated THE HOURS OF THE PASSION OF **OUR LORD JESUS CHRIST** LUISA PICCARRETA, 2023-02-28 In 1914 Luisa writes in a letter to the now Saint Annibale M di Francia I am finally sending you this handwritten copy of The Hours of the Passion of Our Lord Jesus Christ May it all be for His greater Glory I have also enclosed a few pages where I describe the effects and the beautiful promises that Jesus makes to everyone who meditates these Hours of the Passion I believe that if whoever meditates on them is a sinner he will convert if he is imperfect he will become perfect if he is holy he will become holier if he is tempted he will find victory if suffering he will find strength medicine and comfort in these Hours if weak and poor he will find a spiritual food and a mirror in which to look at himself continually and so become beautiful and similar to Jesus our model The History of the Passion of Our Lord Jesus Christ, Explained and Applied to the Christian Life James Groenings, 1919 Passion and Paradise J. Warren Smith, 2004 Does God suffer and can we be close to God when we suffer Gregory of Nyssa on the three most influential theologians of the early Church offers a vision of suffering as part of our progess to final union with God The Dolorous Passion of Our Lord Jesus Christ Anna Katharina Emmerich, 1983 The book that inspired the blockbuster film The Passion of the Christ Faithful to the Biblical account of the Passion it fills in many hitherto unknown details Edifying inspiring surprising and heart rending Emmerich's descriptions of our Lord's Passion will melt a heart of stone This book is the best on the Passion we have seen It also wonderfully portrays the Blessed Mother's role in our redemption Includes a short biography of Sr Emmerich A great book for the whole family Impr 404 pgs PB The Hours of the Passion Jude Mead, 1956 The Passion and the Glory Mike Mazzalongo, 2019-01-03 In this book Mike will examine in detail the final hours of Jesus life as He experienced the events leading to His death on the cross followed by His glorious resurrection The Passion of Our Lord Jesus Christ George R. Szews, Gabe Huck, 1999 These books show how several readers can proclaim the Passion well Rather than simply dividing the Passion into the parts this book allows the evangelist's understanding of the Passion to be heard and

pondered You ll also find proclamation tips and suggestions for musical refrains acclamations and hymns The cover is suitable for use in the liturgy and the type and the use of sense lines allow for ease of proclamation The text of the English version is that of the revised U S lectionary The text of the Spanish version corresponds to the Mexican lectionary Hours of the Passion of Our Lord Jesus Christ Luisa Picarreta, 2013-12 In every hour of His Passion Our Lord invites us to accompany Him and bring him consolation with our love this way little by little as we enter into every scene every word every truth and every suffering we will begin to understand just how great the Love of God has been for us and it will be impossible for us not to desire to love Him as much He deserves to be loved by us His Passion ,1959 The Passion Geza Vermes, 2005-03-03 In his new book distinguished Jesus scholar Geza Vermes explains the true story behind The Passion of Christ and the recent highly controversial film Vital reading for anyone wanting to know the truth behind the hyperbole Vermes s book is an intelligent and fascinating breakdown of the evidence of the Trial of Jesus and an authentic version of Stations of the Cross A general introduction dealing with the Jewish court system the Romen legal procedure and parallel court cases aims to provide a context to The Passion and a greater understanding of Biblical society Written by the greatest Jesus scholar of his generation this will be required reading for anyone wanting to know the truth **Passion of Our Lord Jesus Christ** Jakob Grönings, 1900 The Passion and Death of Our Lord Jesus Christ Alban Goodier, Rev Alban Goodier Si, Brother Hermenegild, 2013-04-20 The details of the Passion the material surroundings and circumstances are accepted from others though tested most of them on the spot in regard to those details the author would only say that it is strange how great at times is the divergence of opinion amongst scholars even on matters about which it would seem at first sight that agreement should be easily reached It would almost appear that once we depart from or attempt to add to the story of the Passion as it is told by the Evangelists we are liable to say what is open to question Though for instance we may know the main streets in the Jerusalem of that time yet the actual sites of the palaces of Annas of Caiphas of Herod and of late even of Pilate are by no means agreed upon while the scourging the crowning the crucifixion have been given different descriptions founded all on some substantial evidence Frankly therefore the author has taken all these studies as secondary He has used them as he has needed them for the Passion cannot be described without them but for the first source of his information he has relied on the four Gospels themselves As in the study of the Public Life so here he has tried to keep his attention fixed on Jesus Christ Our Lord for whose sake alone the story of the Passion is worth telling refusing so far as he has been able to be turned aside by any controversial question or discussion whatsoever He has asked himself How does the Passion reveal Christ to us What manner of Man does He show Himself during that ordeal What were His thoughts and feelings What was His soul And hence knowing that He is yesterday and to day and the same for ever what is the meaning of Jesus crucified to me here and now We derive far more light for our purpose from the saints and from those who have written in the spirit of the saints such as S Augustine Ludolph of Saxony Fra Thomas of Jesus and in another sense

S Catherine of Siena Love real and objective and the insight and interpretation that come of love are the only key to the Passion certainly far more than learning for love alone opens our eyes that we may know Him who endured it and why whatever we may know or not know about Him The method therefore of this study has been to follow the Evangelists as closely as possible reading between the lines of their narrative the harmony used has been that of Tischendorf with but a few minor variations. The streets of Jerusalem were very narrow indeed some of them scarcely admitting men to walk six abreast when a camel lurched down them with his load on his back there was little room for anyone else Though undoubtedly a crowd followed the Passion which grew in numbers as the day went on yet no less certainly there were other crowds which stood aloof There was at least one crowd of sympathisers which S Luke equally describes as a great multitude of people that followed Him there were many more who looked on from their doors and windows or squatting on their shop counters with that indifference which only the East can show If the procession from the Pretorium to Calvary as seems not unlikely passed through the bazaar of the city probably business went on as usual for crowds such as these were nothing very strange and the day the eve of the great Feast was an exceptionally busy day in Jerusalem We are tempted to compare the suddenness of the Passion and the success of its leaders to one of those sinister coups d etat which have captured nations and of which we have had examples in plenty in our own time All this we may assume and lay aside our main object is to study Him round whom the story is gathered that if we can we may know Him the better whatever may be our other mistakes and shortcomings The History of the Passion of Our Lord Jesus Christ Jacob GROENINGS, 1900 The Passion Story: From Visual Representation to Social Drama Imagine the Passion Barbara Alger, 2023-10-12 This soul stirring collection takes readers on an immersive experience guiding them hour by hour through the poignant moments of Jesus Christ's Passion from the heart wrenching agony in the garden to the triumphant Resurrection Each hour is captured through exquisite poetry that delves deep into the emotions and significance of that moment inviting readers to reflect meditate and connect with the profound story of redemption Alger's stunning full color illustrations crafted exclusively for this Devotional breathe life into the words and enhance the spiritual experience Imagine The Passion is more than a book it s a companion for Lent aves sel for contemplation and a source of inspiration as we walk alongside Jesus on his journey of love and sacrifice **Characters of the Passion** Fulton John Sheen, 2012-05-01 Passion Louie Giglio, 2014 This unique and powerful book is a remarkable collection of messages high lighting the journey of a generation of young people seeking to live for God's glory Born out of Passion a conference movement gathering 18 to 25 year olds since 1997 each chapter points us to the centrality of Jesus Christ The heartbeat of Passion is to inspire a generation to know Jesus and live for His glory If Jesus is truly the only place we find grace and significance we want to run after Him above every other name and we want to live to make His name known We only get one brief shot at life so we much make it count Passion founder and author Louie Giglio has woven together a powerful collection of talks from Francis Chan Beth Moore John Piper Judah Smith and

Christiane Caine that will lead you to the heart of Passion and encourage you to burn brightly for His return Book Cover Jesus and his passion Reginald Glanville,1949 The Passion Paul Thigpen,2004 In this companion to devotions on the Passion author Paul Thigpen takes readers on a 40 day journey through the heart rending last hours of Jesus Filled with key passages from scripture and thoughtful reflections Thigpen also includes the vivid meditations of Anne Catherine Emmerich and Maria of Agreda who long ago wrote about the harsh reality of Jesus death on the cross Readers will kneel with Jesus in Gethsemane stand before Herod and Pontius Pilate experience the scourging at the pillar weep with Mary on Golgotha and watch in horror as Christ is crucified Finally readers will shout for grateful joy for the priceless gift God gives us in the sacrifice of His Son
