Gulino, 2013-05-13 Highly ingenious and intensely piercing Chris Gulinos Unidentified brings together reality and fantasy in a dark twisted world It follows one mans thoughts molding him into what and who he is and framing his political beliefs to his unique philosophy of love It traces his psychosis and sickness to a way of life in which the system he lives in has subjected him into In reality it is a growing problem that many people can relate to an actual condition in society that many are too embarrassed to talk about it with others Are you ready to face the truth

**I'll Cry When I Kill You** Peter Israel, 2015-04-14 An attorney tries to protect a science fiction writer from a galaxy of would be killers Thirty minutes north of Central Park Philip Revere finds himself in a world of spacious lawns jogging suits and extreme unabashed wealth He has come to confer with Raul Bashard a titan of science fiction whose imminent death has been rumored for years Revere represents Bashard s lawyer Charles Camelot an all powerful attorney

better known as the Counselor Revere expects this to be nothing more than an errand a contract dispute or a question of royalties but Bashard has something deadly on his mind After decades of being menaced by fans Bashard has attracted the attention of a far more determined adversary the Internal Revenue Service Its attention has become so acute that the author has begun to fear for his life Revere writes this off as artistic paranoia but when Bashard is beaten to death in his sleep the affair becomes a case only Camelot can solve      *Killing the Messenger* Thomas Peele,2012 An investigative reporter explores the origins and history of the Black Muslim movement the rise of a small but violent Black Muslim cult in Oakland and the 2007 murder of journalist Chauncey Bailey by a teenage member of the cult      **Justice for All** Greg Kelly,2023-01-10 Newsmax TV anchor and WABC Radio host Greg Kelly delivers a stirring defense of American law enforcement and a warning about what happens when they are defunded and derided As the son of celebrated NYPD commissioner Ray Kelly and a former lieutenant colonel in the Marine Corps Reserve Greg Kelly has had a firsthand look at the critical importance of law enforcement in America From police to border control and beyond these men and women provide a fundamental service for our country In a nation divided progressives want to abolish the very organizations that keep us safe Kelly expertly reveals their indispensability Both a celebration and a call to action Justice for All is perfect for fans of Mark Levin Greg Gutfeld and Sean Hannity Over recent years Kelly has followed the mounting attack on law enforcement in his reporting and he s felt its effects in his own life and family Now he stands up to the mob calling to defund the police and offers a galvanizing voice for police officers veterans and all agents of law and order and their families Justice for All delivers a passionate defense of service and an impossible to ignore examination of how critical law enforcement is for America s survival and how foolish it is to defund malign and delegitimize it      *The True Test Is When No One Sees* Robert N. D'Ambola,2020-11-06 Everyone will hate this book It is based on the course Ethics for Police Recruits that Robert D Ambola has instructed for over 20 years He has presented this class to almost 5 000 Police Officers Soon to be Police Officers will hate this book because it should scare the hell out of them and make them question why they want to do this job Veteran cops will hate it because it will remind them of the shit they had to put up with every day and the challenges they face while getting no appreciation or recognition The bosses will hate it because they are the bosses and responsible for a lot of the shit The politicians will hate it because they make the rules about things they have no clue about and the police ultimately get blamed for The media will hate it because of their skewed portrayal of the real American heroes of society to make them out to be the bad guys when they are not And then there are times the police turn out to be exactly that the bad guys The Police Training Commission will hate this book because it exposes the fact that they are running a dog and pony show to make the politicians and insurance companies happy instead of building a truly professional intelligent capable police officer who can deal with the current rigors of the job while protecting themselves at the same time The public will absolutely hate this book because they get what they pay for they have no idea what they are paying for and they don t know what they truly want

from the police Do they want a warrior or a guardian The book was not designed to slam any specific group but should be used to improve the entire Law Enforcement instructional model It is to learn from history so we do not repeat the same mistakes and continue to pass on The Stupid Gene to the next generation of Law Enforcement Officers In these turbulent times Law Enforcement needs to drastically improve in all areas before the entire system as we know it is abolished This is a raw subject so I have injected my own twisted humor to make it a bit more palatable Maybe you can handle the truth Read on Feel free to hate this book as long as you learn something from it
